I hereby attest that the above information is authentic and accurate as per third party analytical testing results. I further attest that the batch processing, packaging and analysis records were reviewed and found to be in compliance with all applicable regulations including part 5 and 6 of the Cannabis Regulations (SOR/2018-144). An adequate retention sample of this lot has been kept to support verification of quality (if necessary). This lot has not been subjected to any radiation treatment. All input materials have been evaluated and any pesticides used are in compliance with the product specifications and in accordance to the Health Canada Pesticide List and Tolerance Limits. This lot has been manufactured as per the Master Production Documents in accordance with Good Manufacturing Practices. There were no deviations or non-conformities reported for this lot release. We therefore deem this product acceptable for sale.
