

## ZAMORA

**CONSTRUCTION** Handwoven Flatweave

**COMPOSITION** 100% Wool

**STOCK SIZES (cm)** 160 x 230 / 200 x 290 / 250 x 350 / 300 x 400

**CUSTOM OPTIONS** Not available

**THICKNESS** Approx 8-10 mm

**EDGE FINISH** Overlocked

**USE PURPOSE** Indoor

**SUITABILITY** Residential

IVORY

TAUPE

INDIGO

FOREST

### CARE

Vacuum regularly. Clean spills immediately. Never rub a spill, instead blot any liquids with a dry absorbent white cloth or paper towel. Some stains may be cleaned with a mild clear detergent and lukewarm water. If the stain cannot be removed, seek specialist advice. Do not machine wash.

### MANUFACTURING VARIATIONS

All rugs are made by hand which means there is a slight chance that variations in size and colour can occur. Up to 5% variation in size and colour is considered acceptable. Variations in pile height and total thickness of 1-2 mm are considered acceptable.

### PRODUCT CHARACTERISTICS

**SHEDDING** Often new rugs begin to produce fluff as a result of loose fibres that remain in the rug after the manufacturing process. Vacuum regularly and this will reduce over time.

**SPROUTING** Occasionally loose yarn ends will rise above the pile surface. This is a characteristic of this particular weave. Strands can be safely trimmed to the surface when this occurs with a pair of sharp scissors.
