- **【Premium Ceramic & Thickened Glazed】** Our bathroom vessel sinks use high quality, adopt unique high temperature calcined superfine clay grinding technology, makes the raw materials fully porcelain without cracking. Thicken the glaze surface, using three-layer spray glaze technology, the smooth glaze is made at one time. Not easy to hang dirt, comfortable hand feeling, the glaze texture is delicate and smooth, wear-resistant and does not fade.

- **【Splash-Proof Depth】** This vessel sink is 5.3 inches deep inside which can effectively splash-proof when washing hands or brushing teeth, there is no need to worry about splashing water on the countertop.

Countertop Cutout Requirements

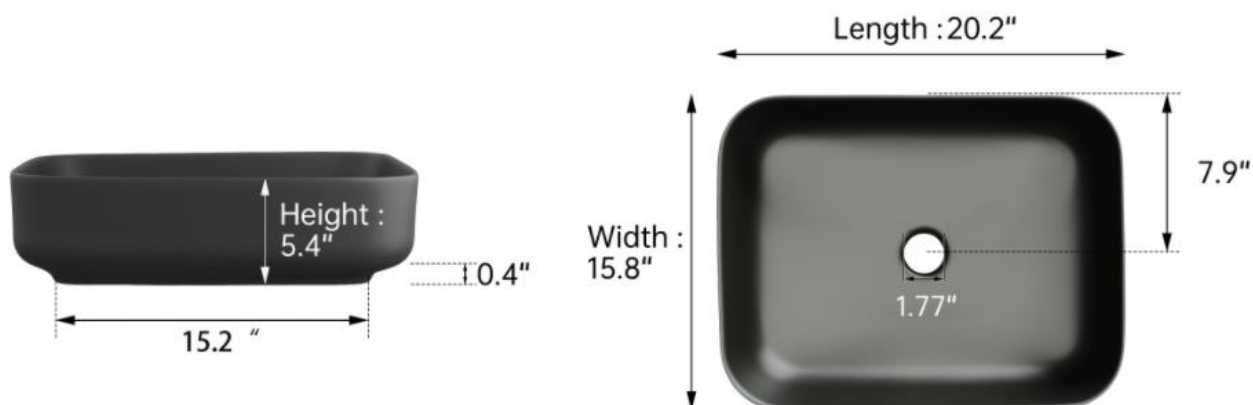

- **【ELLAI 100% PROMISE Warranty】**

One year limited under residential use. 30 days hassle-free return. Free replacements or refund for any problem with the item. We'll definitely assist you, please purchase by ease.
