## February Delights Your Batteries & Solar Adventure Awaits!

As we bid farewell to February, we're buzzing with excitement about the incredible journey we've shared with you this month. It's been a whirlwind of energy at Batteries & Solar, and we're thrilled to bring you right into the heart of the action.

Picture this: a month packed with thrilling developments, groundbreaking innovations, and loads of positive vibes. We can't wait to spill the beans on all the exciting moments that unfolded at Batteries & Solar, turning this February into a month to remember.

In this newsletter, get ready for an insider's look at the dynamic strides we've taken in the world of energy solutions. We're not just talking about installations of solar panels; we're talking about an experience that goes beyond, filled with innovation, savings, and performances that are nothing short of stellar.

This newsletter is our way of shouting from the rooftops about the fantastic ride we've had together.

## Meet the superstar of the month

It's not just a gadget; it's your reliable sidekick for those unexpected moments. Join us in uncovering the magic behind this little powerhouse and how it's set to redefine your battery backup experience.

### Did you know we offer Nationwide price promise?

We pride ourselves on ensuring we offer our customers products and services at competitive prices.

We monitor the price offered by competitors and adjust our own pricing accordingly, to uphold our aim of ensuring you always get high quality products at the best value for money.

If you find a cheaper price, including fitting and/or delivery, we'll match it. If you find it after you've purchased from us, we'll refund the difference within 14 days of receipt of your goods, providing it is within policy.
