### The start of a new beginning

As we approach the closing days of this vibrant month, it's the perfect time to **reflect on the journey** we've shared together at Batteries & Solar. Just like the start of a new year, April brings with it a sense of renewal and opportunity. Whether you're fine-tuning your plans or embarking on exciting new projects, **let us inspire you** with our latest updates and offerings.

From mapping out your sustainable energy goals to exploring innovative solutions for your home or business, join us in embracing the future of energy. Our commitment to providing top-notch, eco-friendly products remains unwavering. Dive into our world, where the sun never sets on your energy needs.

Get excited about our products! They're not just functional—they're designed to enhance your life while reducing your environmental footprint. It's a bright choice that you'll love!

And don't forget, with our **nationwide price promise** and convenient **click-and-collect options**, powering up sustainably has never been easier.

Wishing you a radiant end to April,  
- The Whole team at Batteries & Solar

### Did you know we offer Nationwide price promise?

We pride ourselves on ensuring we offer our customers products and services at competitive prices. We monitor the price offered by competitors and adjust our own pricing accordingly, to uphold our aim of ensuring you always get high quality products at the best value for money.

If you find a cheaper price, including fitting and/or delivery, we'll match it. If you find it after you've purchased from us, we'll refund the difference within 14 days of receipt of your goods, providing it is within policy.
