This report shall not be reproduced except in full, without the written approval of the lab. This report is for informational purposes only and should not be used to diagnose, treat or prevent any disease. Results are only for samples and batches indicated. Results are reported on an "as received" bask, inliness indicated on therwise, when a disease reported, that status is intended to be in accordance with redeci, state and local lows which are required for the customer to be in compliance. The measurement of uncertainty is not included in the Pass/Fail indicated on the contribution unless explicitly required by leferal, state or call lows on has been reported on the certificate of analysis. Resultated to the customer to be in compliance. The measurement of uncertainty is not included in the Pass/Fail indicated on the contribution uncess explicitly required by leferal, state or call lows on has been reported on the certificate of analysis. Resultated to the customer to be in compliance. The measurement of uncertainty is not included in the Pass/Fail indicated on the contribution uncess explicitly required by leferal, state on clouds on the certificate of analysis.
