

PharmLabs San Diego Certificate of Analysis

3421 Hancock St, Second Floor, San Diego, CA 92110 | License: C8-000098-LIC  
 ISO/IEC 17025:2017 Acc. L17-427-1 #85368

Sample **Hidden Hills Live Sugar Miami Rose**

|                   |                      |          |                                       |
|-------------------|----------------------|----------|---------------------------------------|
| Sample ID         | SD231002-006 (85018) | Matrix   | Concentrate (Inhalable Cannabis Good) |
| Tested for        | Midnight MFG         |          |                                       |
| Sampled           | -                    | Received | Oct 02, 2023                          |
| Analyses executed | CANX                 | Reported | Oct 03, 2023                          |

Laboratory note: The estimated concentration of the unknown peak in this sample is 12.78%. Currently PharmLabs laboratory can not confirm the unidentified peak in your chromatogram due to an interference (only with concentrated d8 products) from which we believe to be an isomer of  $\delta^8$ -THC or  $\delta^9$ -THC.

**CANX - Cannabinoids Analysis**

Analyzed Oct 03, 2023 | Instrument HPLC-VWD | Method  
 The expanded Uncertainty of the Cannabinoid analysis is approximately **7.806%** at the 95% Confidence Level

\*This report shall not be reproduced except in full, without the written approval of the lab. This report is for informational purposes only and should not be used to diagnose, treat or prevent any disease. Results are only for samples and batches indicated. Results are reported on an "as received" basis, unless indicated otherwise. When a Pass/Fail status is reported, that status is intended to be in accordance with federal, state and local laws which are required for the customer to be in compliance. The measurement of uncertainty is not included in the Pass/Fail evaluation unless explicitly required by federal, state or local laws and has been reported on the certificate of analysis. Measurement of uncertainty is available upon request.
