RHINE VALLEY

Inspired by the world, rooted in India

Founder Atul Ahuja often struggled to find the right balance between tastes. Inspired by the Rhine River that passes over 6 countries in Europe harmoniously, Rhine Valley represents the best of European chocolate making methods made in our modern state of the art facility in India.

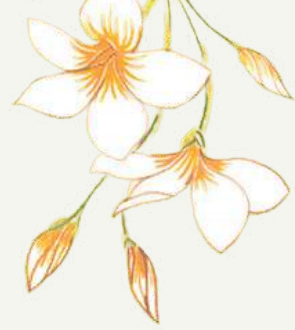

Venturing beyond traditional pairings, Rhine Valley's true triumph lies in its eclectic flavours. A brainchild of the founding family, some noteworthy pairings include Dark Feuilletine featuring light & crispy caramel based french biscuit encased in a smooth dark chocolate and White Espresso featuring freshly roasted aromatic coffee beans & cacao nibs encased in an irresistibly smooth white chocolate.

Other signature offerings include Snacking Rochers, Roasted Californian almond slivers encased in a milk and dark chocolate in the perfect snacking size and Almond Rocks, Almond and Hazelnut Dragees, Gianduja Cubes. Our range is soon expanding beyond the world of chocolate-stay tuned!
