## ▼ Lennon Courtney for Dunnes Stores

After a phenomenal response to Lennon Courtney's debut season with Dunnes Stores in September 2015, their much anticipated follow-up, Spring Summer 2016, has just been launched. This latest collection, entitled Inspire, is a reaction to the many women who have influenced and informed Sonya Lennon and Brendan Courtney's fashion collections and designs, from their mums and friends, to women in business and the arts. Sophisticated yet playful are the trademarks of this collection, with work friendly navy's and black interrupted with lighter shades of oat, bright whites and cerise pinks. There is a simplicity and understatement to the Lennon Courtney core wardrobe, with beautiful feminine shapes and lengths, however, much like the designers behind the brand, Sonya and Brendan, fun is to be had in the smaller details. Excitingly we see some great separates coming through this season with items like the elegant cocoon shaped jacket in white, or the beautiful tailored midi trouser in stone and black. Lennon Courtney is available to buy exclusively from selected Dunnes Stores nationwide and online at [www.dunnesstores.com](http://www.dunnesstores.com)

## ▶ Vichy Ideal Body Oil (RRP €23)

Vichy laboratories have created a body care range that offers much more than simply hydration. For the first time ever from Vichy, active ingredients traditionally used in face care, such as hyaluronic acid and LHA, have been combined with 10 luxurious oils to help women obtain firmer, smoother and more radiant skin. Vichy research discovered that lipids are essential agents for ideal skin quality. When the skin lacks lipids, it becomes thinner, more uneven and rougher. The range includes a serum-milk, a balm and this multi purpose body and hair oil that hydrates, tones and enhances even sensitive skin. It is easy to spread and is quickly absorbed. Ideal dry oil leaves the skin silky-soft with no greasy or sticky effect on the skin. It may also be applied to the hair (dry or wet). Available in selected pharmacies nationwide.
