### Surya Brasil Clay Mask

Whether used as a spot treatment or full-face mask, this product's key ingredients — Amazon white clay and Organic Acerola Cherry Extract — will help eliminate toxins from the surface skin, leaving it moisturized and radiant. Composed of properties extracted directly from plant raw materials without pesticides, this mask promotes anti-free radical action protecting the skin against loss of resilience. \$23.99, [shopsuryabrasil.com](http://shopsuryabrasil.com)
