Surya Brasil Moisturizing Lip Balm, \$3.49 each. Available at SuryaBrasil.com

Available in four flavors –Chocolate Mint, Strawberry & Buriti, Cinnamon & Cupuacu, and Açai Berry – these vegan lip balms make excellent stocking stuffers, plus they'll prepare anyone for the harsh winter weather that can lead to chapped and dry lips. Each lip balm contains such skin-loving ingredients as: vitamin E-rich jojoba oil, which is structurally similar to the sebum and is hence easily absorbed by the skin; moisturizing cocoa butter; sunflower seed oil, packed with vitamin A that promotes cellular regeneration and natural exfoliation; murumuru butter, which is rich in fatty acids like lauric and oleic acid; buriti nut oil, a great antioxidant thanks to its high levels of beta-carotene; and ucuuba nut oil, which is also rich in fatty acids that keep skin smooth and supple.
