Help your man look his best this spring

IF YOU are keen to help the man in your life look his best this Spring, look no further than Surya Brasil's Sapten Men's range.

Made from blending natural ingredients, and formulated for a man's tougher skin, they are free from any synthetic fragrance, sulfates, petroleum by-products, silicone and gluten.

The hair and body range boasts a clean, refined masculine scent of citrus, spice and woody notes, all derived from pure essential oils.

The formulations are made up of amaranth proteins and mild cleansing agents and all products include ingredients to help normalise oil production and improve hydration.

The range includes a 2 in 1 shampoo and conditioner (\$14), a hair styling gel (\$10), a facial scrub (\$12), a shave cream (17), after shave cream (\$14) and shower gel (\$17).

Check out the Sapten Men's range online at www.yourtonic.com. I have three Sapten Men Shower Gels to give away to three lucky readers.

If you fancy winning, simply email your name, address and telephone number – along with the answer to the question below – to competitions@irishnews.com
