5 eco-friendly beauty brands you need know

Surya Brasil

This gluten-free brand was founded in 1995 in São Paulo, Brazil and has certifications up the wazoo! We're talking Ecocert (organic), Vegan, PETA (cruelty free), Forest Stewardship Council (using paper products from controlled sources), Fair Trade and more. Surya Brasil is best known for its natural cream semi-permanent hair colour, but also creates products for hair care, skin care and body care. The new Sapien Women line smells fruity (like mango!), not like herbs or essential oils, and includes a body scrub, facial scrub, body moisturizer, shave gel and shower gel (\$17-\$28.50 each). The brand is available in Canada at Whole Foods and on well.ca.
