

NEXTBOND® OVERLAMINATES

Elevate, Protect, and Preserve Your Graphics.

Protect your printed graphics with Nekoosa's Overlaminates with NextBond® durable adhesive. NextBond® applied evenly across the printed graphic, eliminating silvering and preventing delamination. The robust liner ensures a smooth, clear finish without cloudiness and runs seamlessly through the laminator without generating static.

FEATURES

- Choose from a diverse range of film, adhesive, and liner combinations engineered specifically for your application
- Easily apply premium 3, 4 or 6 mil calendered vinyl face films to indoor or outdoor flat, textured or slightly curved surfaces without rivets
- Achieve your desired aesthetic with matte white, gloss white or clear options
- Suitable for both indoor and outdoor use and available with either water-based or NextBond™ long-term durable adhesives
- Available in 90# layflat or 90# air-egress layflat options for efficient finishing and installation
