## Welcome to the World of Books!

Parragon has been a global publishing leader of visual books for over 30 years. Renowned for being one of the world's largest publishers of children's licensed books, we proudly represent brands such as Disney, Marvel, Mattel, Nickelodeon and CoComelon. Parragon Publishing is home to more than 5000 titles for readers from babies to adults. We offer a wide range of books from storybooks, encyclopedias, early learning books, activity books to cooking books, reference books and coffee table books.

Parragon is now a subsidiary of PPIPL UK, a global publishing and media communications company headquartered in Bristol. PPIPL UK spreads the love of reading through Parragon in India and the Middle East, and Pip Books Group in the rest of the world. Under Pip Book Group, we have a launch list of more than 40 titles, with 20 more to be added by April 2024, featuring original content across our three imprints: Toran Press, Little Chilli Books, and Open Door Editions; each imprint being distinct, publishing products targeting different genres and age groups, from health and well-being to reference and multisensory content. From vibrant and engaging flash cards focused on PSHE for toddlers, to our latest release *Pussy Yoga* which talks about being healthy and enjoying your sensuality as a woman, we aim to give the world innovative and out of the ordinary content to promote learning, awareness, curiosity and all-round development, as a child as well as an adult.

With this, we bring you our 2024 catalogue, featuring a range of titles and exciting new additions across multiple categories. We hope you find as much inspiration within these pages as we did in creating them.

Sincerely Yours,  
Vineet Sharma  
Publisher, Parragon Publishing India

Twinkle, twinkle, little star,  
how I wonder what you are.

Up above the world so high,  
like a diamond in the sky.

Old MacDonald had a farm,  
E-I-E-I-O!  
And on this farm, he had a sheep,  
E-I-E-I-O!

With a boo-boo here,  
and a boo-boo there,  
here a boo, there a boo,  
everywhere a boo-boo.

The wheels on the bus go round and round,  
round and round, round and round.

The wheels on the bus go round and round,  
all through the town.
