

#### **PRODUCT DESCRIPTION**

BrightLine smart light box displays feature swift tool-free installation, durable light-weight frames, embedded LEDs, and exclusive One Planet recycled fabrics with impressive vivid graphics, all conveniently organized in a heavy-duty shipping case. Panel E boasts a flexible presence at 5ft wide, bold enough as a stand-alone illuminated showcase, and sized perfectly to pair up in popular 10ft booths.

Mix-and-match with other BrightLine panels, or combine with WaveLine and StraightLine displays, to create unique branded environments. TV mounts and counters complete an enhanced experience to really make brands stand out.

**Limited Warranty Periods** 

- Frame : Lifetime- Lights : 90 days- Graphics : 30 days

## **PARTS**

## **ASSEMBLY**

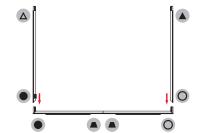

Assemble parts on the floor and stand-up unit when completed.

(1)

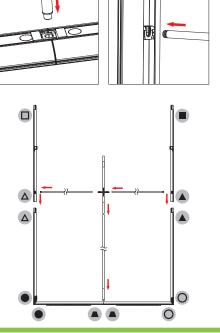

2

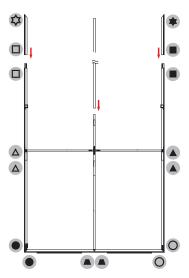

3

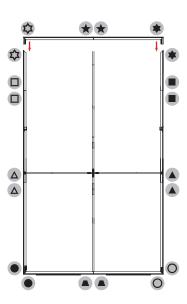

(4)

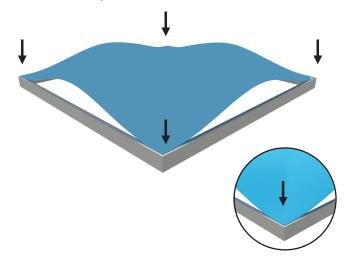

(5)

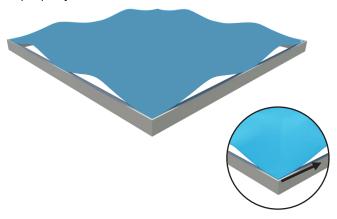

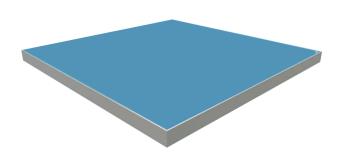

Push the silicone bead into each corner of the frame with your thumb.

Push the siliconebead into the middle of the run and work your way around the perimeter of the frame until all beading is pushed in properly

### **To Remove Graphic**

Use the pull tab located on the graphic and gently pull the graphic from the frame, going around the perimeter
