

# ZK SERIES

## 200 - 400 Watts Component Speakers

**Warm Deep Bass, Powerful “Rim Smacking” Midrange and Silky Smooth Highs best describes the Massive Audio ZK 6 component speakers. Installers and consumers alike all praise Z Series as Massive Audio's best component speakers.**

MSRP: \$99.95 ~ \$299.95

### Overview:

Warm Deep Bass, Powerful “Rim Smacking” Midrange and Silky Smooth Highs best describes the Massive Audio ZK 6 component speakers. Their 25mm Silk Dome Ferro Fluid cooled tweeters use an external easy to use “threaded nut & bolt” mounting system.

The cast power coated aluminum baskets holding Nomex Spiders bonded to Woven Fiber Paper Cone surrounded by soft Butyl Rubber let you know you that you are in for the ride of your life! All of this technology can be powered with up to 400 Watts due to the high powered Y40 Magnets. All ZK6 drivers are filtered by High Powered Competition Grade 12 dB Crossovers.

Look no further! Installers and consumers alike all praise Z Series as Massive Audio's best component speakers due to their SPL and accurate sound reproduction.

Need more SPL? ZK6R is a solo 6 inch driver that is perfect for custom installations.

### Features and Benefits

- Custom cast aluminum baskets with thick powder coating
- High energy Y40 magnets
- Custom competition grade 12dB crossovers
- 1.25” High temp KSV voice coils
- Custom designed pole piece for low distortion and sound quality
- Woven fiber paper cone with butyl rubber surround
- High quality Nomex spider
- 25mm silk diaphragm ferro fluid cooled tweeters
- High sensitivity and accurate sound reproduction
- Two piece custom paintable grilles
