THE ARGAN COLLECTION

Used for centuries as a beauty ritual by women in Morocco, this ultra-moisturizing beauty miracle provides healthy radiance everywhere it is applied from hair to skin. Every day skin is exposed to free radical stressors (i.e. pollution, sunlight, poor diet and stress) that rob skin of needed nutrients to help keep skin rejuvenated. Antioxidants help protect your skin from free radicals. Argan Oil is abundant in antioxidants needed to help neutralize these effects.

Our core Pré de Provence soap line is manufactured to 250g, 150g and 28g sizes. Due to regulations, they may be marked with the manufacturing size, or an estimate symbol of the absolute minimum if extreme moisture loss were to occur.
