### How to use thread 刺しゅう糸の扱い方

Olympus embroidery thread has a beautiful luster.

Please handle it carefully so as not to damage the thread.

The #25 floss is made by loosely twisting 6 thin threads.  
Pull out some of these thin threads and call it [ ○ strands ].

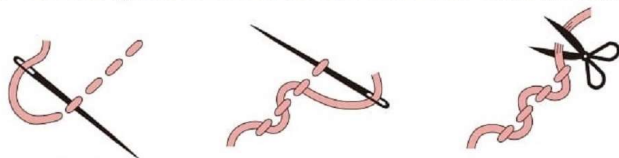

- ① Fold the thread in half and pull out the required number of threads one by one from pile.
- ② Align the threads
- ③ Pass the end the thread in a loop through the needle hole.

<Start stitching> Make a knot As shown in the figure below, wind the thread 2 to 3 times on the needle and pull out the needle.

<End of stitching> Pass through the stitches on the back of the cloth ※. Do not make a knot!

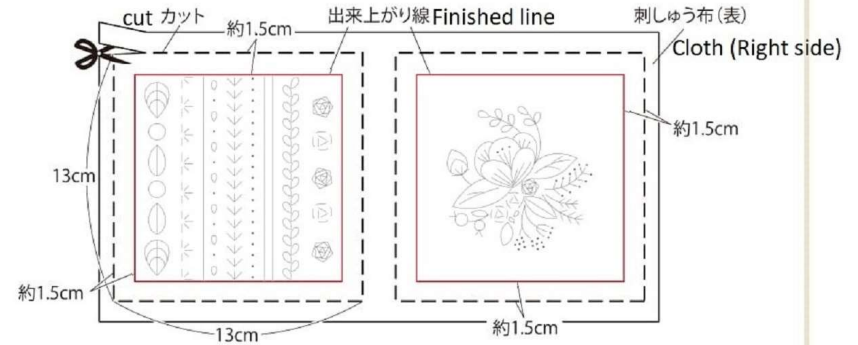

- ① Pass the needle through
- ② Scoop 3 - 4 stitches
- ③ Cut the thread at the edge the last stitch

## How to make a coaster Finished size / 10cm X 10cm

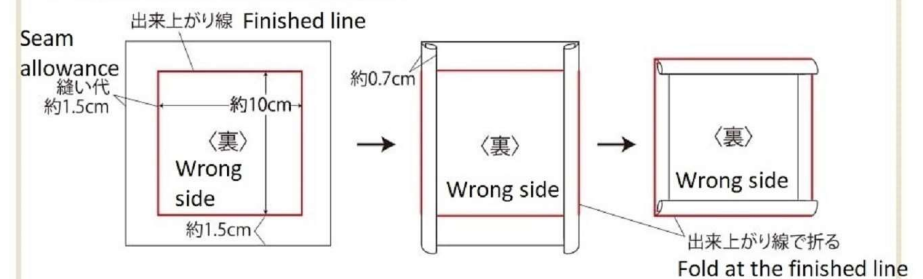

コースターの仕立て方 出来上がりサイズ/約10cm×10cm

Stitch list

① Back stitch

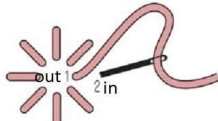

Stitch that pierces the line where the stitch eyes are connected.

take out the needle from 1 and go back to 2 and go out to 3. The needle that came out in 3 repeats returning to 1.

② Straight stitch

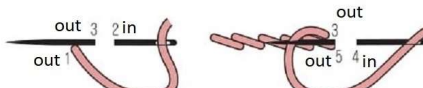

Stitch can be stitched with one needle.

Stitch the thread straight with one needle.

③ Outline stitch

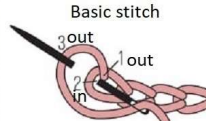

It is a stitch that can pierce both straight lines and curves.

Stitch from left to right according to the design. Go out from 1 and go into 2, put out 3 from the center of 1 and 2, and go back halfway at a glance. 2 and 5 are the same hole.

④ Chain stitch

Stitches that make a thick line and connect rings like a chain.

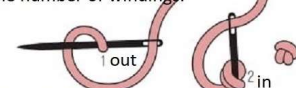

Go out from 1 and go into 2, hook the thread from 3 on the needle and pull out the needle.

Prick the thread at the end of the stitch and let it pass through the first eye.

⑤ French knot stitch

Make a small knot. The size changes depending on the number of threads and the number of windings.

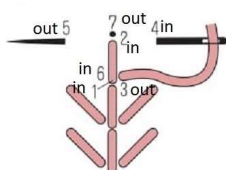

Wrap the thread around the needle that came out of 1. Insert the needle vertically into 2 near 1 and tighten the thread before pulling out the needle. Be careful not to loosen the tightening thread.

※ Wind twice with this kit

⑥ Fern stitch

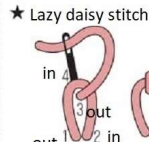

It is a stitch shaped like fern. Stitch from bottom to top.

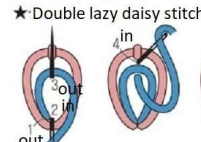

Take out the needle from 1, enter 2 and stitch 3, 4, 5 and enter 6. The needle passes through the hole 1 three times.

⑦ Double lazy daisy stitch

Inside the Lazy daisy stitch, stitch a smaller Lazy daisy stitch. It can be applied in various ways by changing the pulling strength of the thread and the overlapping color.

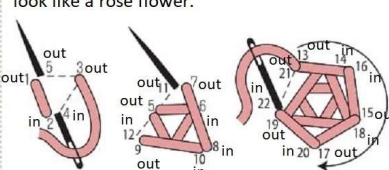

Put out the needle in 1, scoop the cloth with 2 and 3, put a thread on the needle and stop the ring with 4. Double lazy daisy stitch is a stitch that adds another same stitch inside the loop.

⑧ Rambler rose stitch

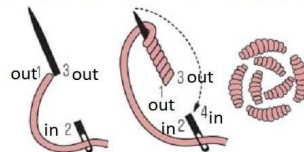

It is a stitch that stacks back stitches to make it look like a rose flower.

Stitch the threads from inside to the outside.

⑨ Bullion rose stitch

It is a stitch that pierces the bullion stitch in the shape of a rose

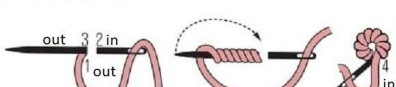

Hold the needle that came out in step 3 and wind the thread around the needle according to the length of the needle. Pull out the needle while holding the wound thread so that it does not come loose, and then tilt it toward you tighten the thread and enter 4. This is called Bullion stitch. Furthermore, multiple stitches are made from the center so that it becomes a rose shape.

※With this kit  
• inside 6 times  
• outside 9 times  
Wind

⑩ Bullion knot stitch

By applying Bullion stitch, it is a stitch that becomes a ball with a three-dimensional effect that is larger than French knot stitch.

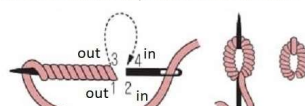

Go out of 1 and go into 2 on the immediate side, scoop a small cloth and pull out the needle from 3. Wrap the thread around the needle that comes out, and while tightening the wound thread so that it does not come loose, enter 4 on the immediate side of 3.

※ With this kit, wind 8 times.

⑪ Bullion daisy stitch

With the application of bullion stitch. Stitch three-dimensional petals and flower cores.

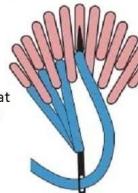

Go out of 1 and go into 2 on the immediate side, scoop a small cloth and pull out the needle from 3. Wrap the thread around the needle that comes out, and while tightening the wound thread so that it does not loosen, enter 4 near 2 and fasten it like a lazy daisy stitch. \* With this kit, wind 18 times.

⑫ Long and short stitch

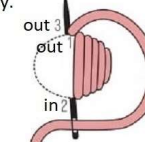

Stitch that fills the surface by repeating long and short straight stitches. Unlike satin stitch, you can change the color of each step to express the color gradation.

Repeatedly stitch long and short straight stitches from the center of the first step to the outside. From the second step onward, stitch with a uniform length so that it slightly overlaps the short stitch on the first step.

⑬ Satin stitch

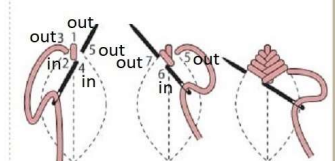

It is a stitch that fills the surface by arranging straight stitches neatly.

Stitch evenly so that the threads do not overlap along the lines of the design. When stitching a round object, stitch from the center to the outside and stitch the rest.

⑭ Fishbone stitch

Often used to stitch leaves.

Stitch from the outside to the inside along the line of the design so that the centers intersect.
