Map of the Story

The location of the story is in the wilderness of the northwestern part of Ontario.

As you read the story, draw a map in the box of the area through which the animals traveled.

Include arrows to show the paths that Luath, Bodger, and Tao took on their adventure. Look in the novel for details about the locations of different events. Start with Mr. Longridge's cabin.

Include a legend if necessary. Then color the map.
