---

---

---

---

---

SAMPLE

# Activity 1A

## SMART Goals

A leadership path is a plan or map showing steps and activities to complete to develop and exhibit leadership skills. Goal setting is critical to success. What are your goals? Where do you see yourself in the future? Develop SMART goals for 1 year, 5 years, and 10 years down the road.

### One-Year SMART Goals

---

---

---

---

---

---

---

---

---

---

### Five-Year SMART Goals

---

---

---

---

---

---

---

---

---

---

### Ten-Year SMART Goals

---

---

---

---

---

---

---

---

---

---

# Activity 1B

## Elevator Speech

Communication is essential to becoming a leader. Public speaking is a topic that is frightening to most people. Quality public speaking skills are needed for a successful career regardless of occupation. An elevator speech is a brief, 30-second or less, speech that tells about yourself and your goals. Develop an elevator speech that you could share with a leader in your prospective career field if you were to briefly meet.
