

# APP GUIDE

Camming with Chrome Extension

CONNEXION SERIES  
More connected than ever

# HOW TO CONNECT TO:

1. The logo for Chaturbate, featuring the word "Chaturbate" in a stylized, bubbly font with a yellow-to-orange gradient and a blue outline, set against a light beige background.

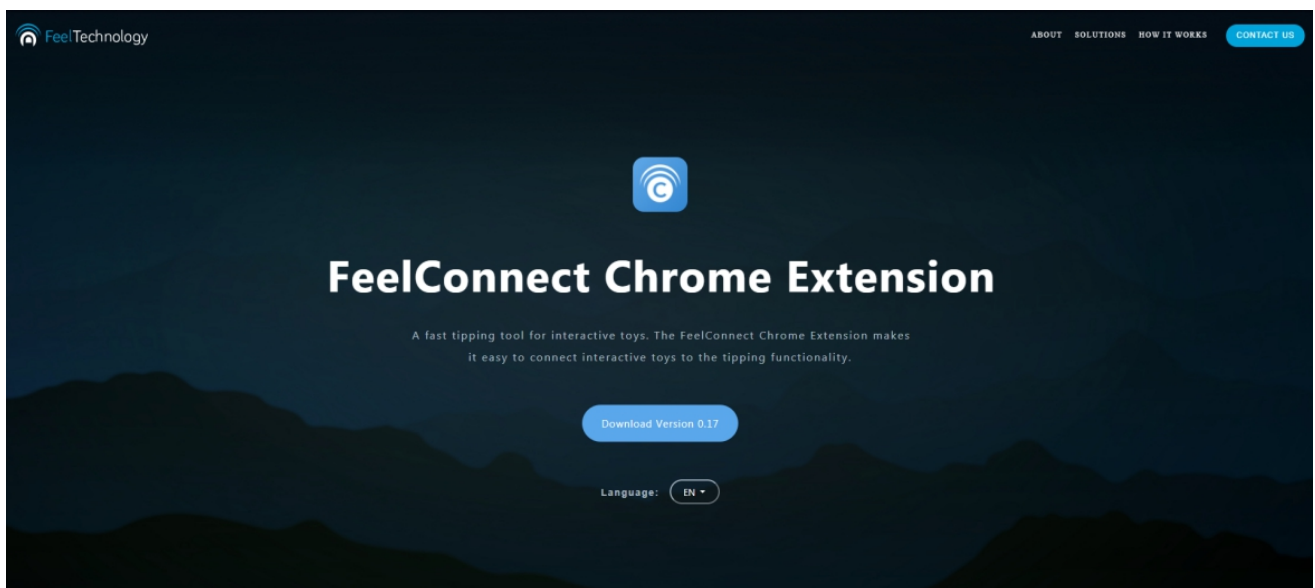

2. The logo for BongaCams, featuring the text "BongaCams" in a white, cursive font with a speech bubble icon at the end, set against a dark red background.

3. The logo for CamSoda, featuring the text "CamSoda" in a blue, bubbly font with a white outline and a small soda can icon, set against a pink background.

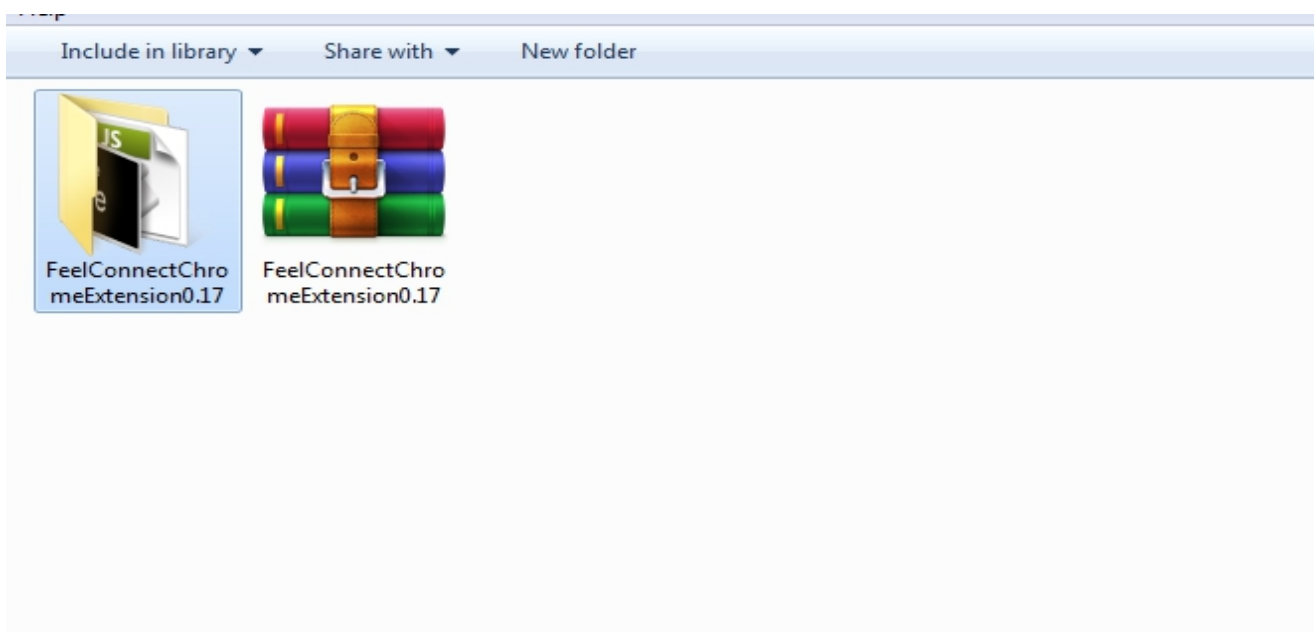

4. The logo for MyFreeCams.com, featuring the text "MyFreeCams.com" in a white, bold, sans-serif font, set against a green background with a blurred image of a person's legs.

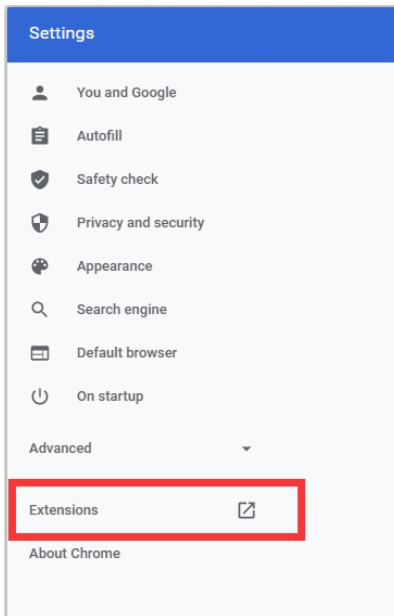

# Installation of FeelConnect Chrome Extension

1. Go to <https://feeltechnology.com/feelconnect-chrome-extension-en.html>, click Download button.

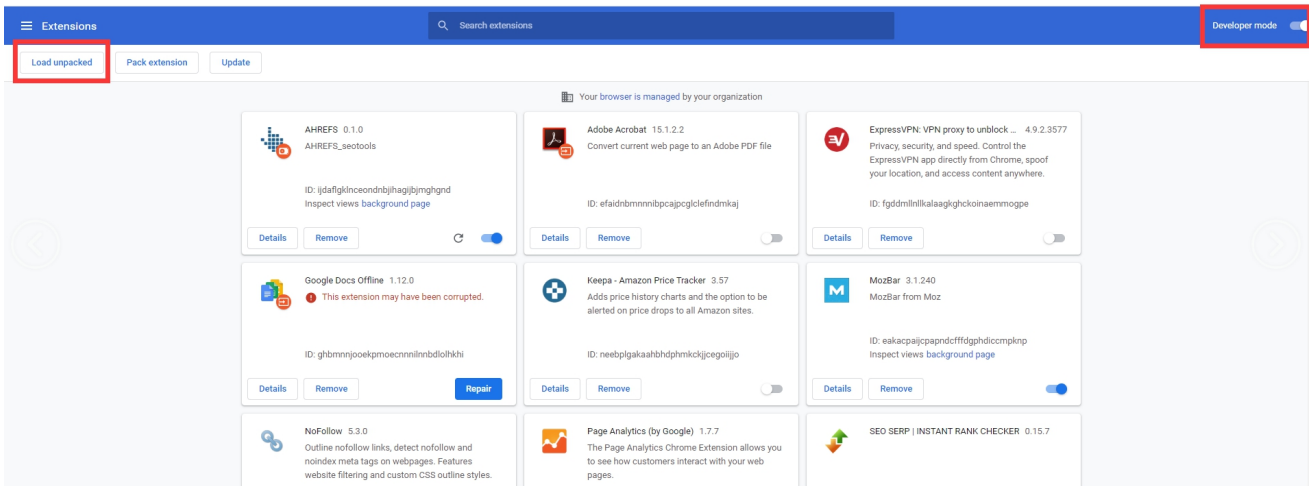

2. After you have downloaded the file, unpack the RAR.

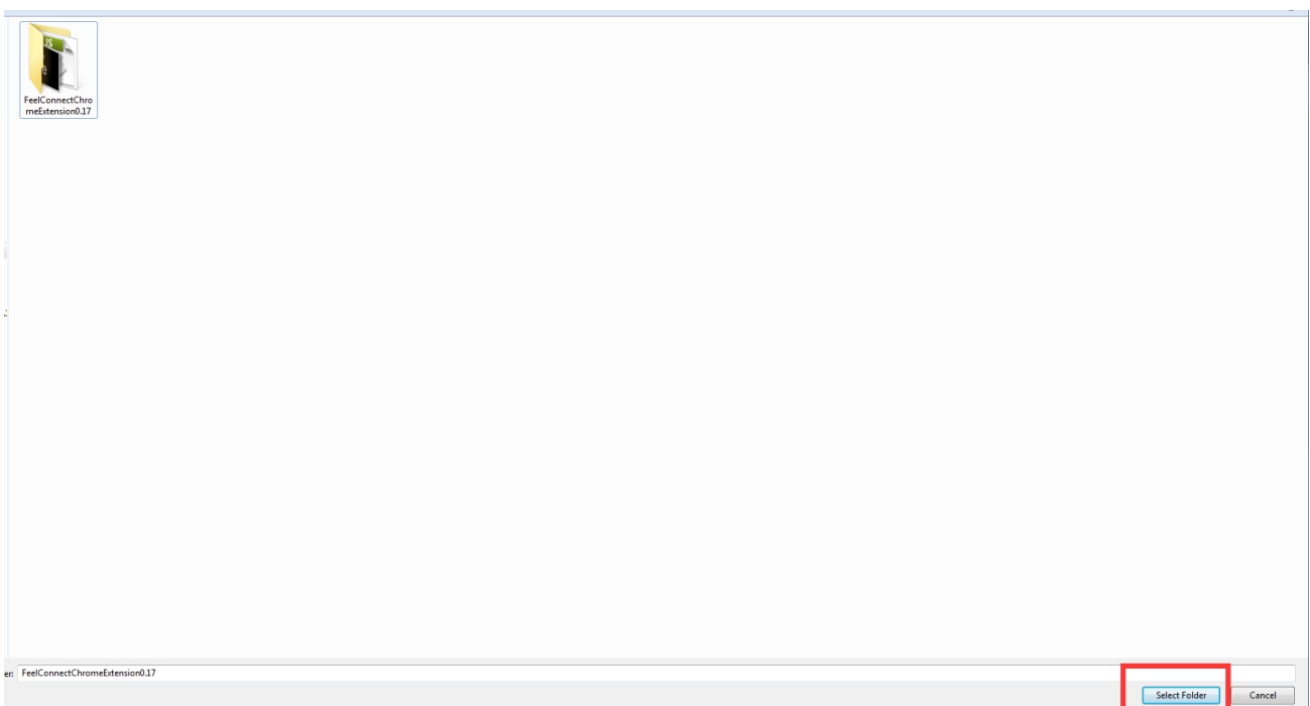

3. Go to Settings of your Chrome browser and select Extensions.

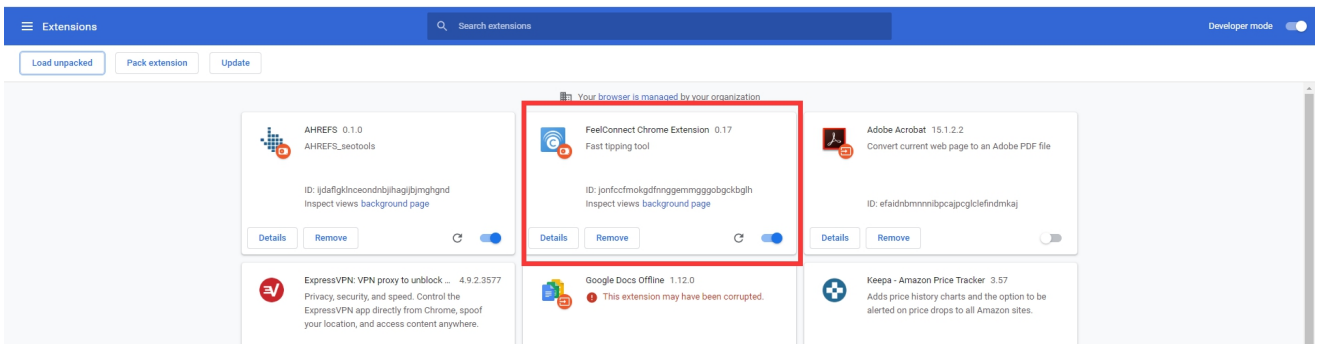

4. Set the **Developer mode ON**, then click "Load unpacked".

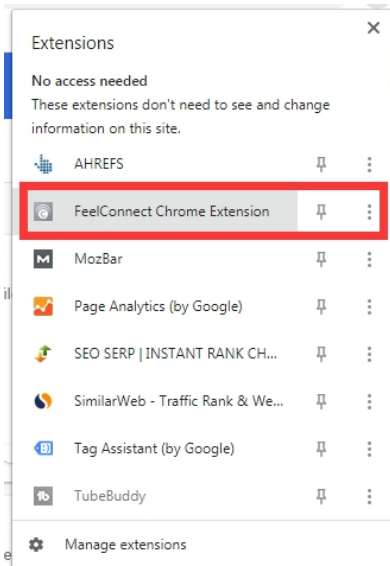

5. Find the unpacked and click **Select Folder**.

6. Now the **FeelConnect Chrome Extension** has added to your Chrome.

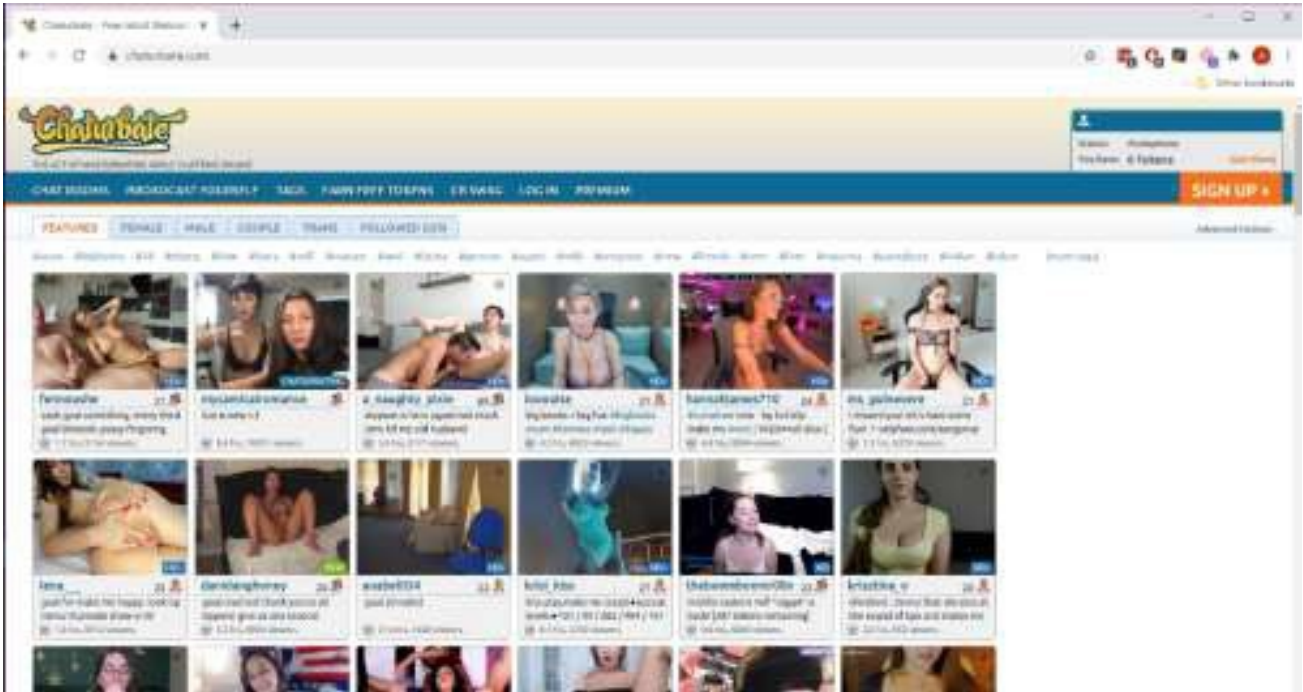

7. You can check it enabled on your Extension list.

1. Go to <https://chaturbate.com/accounts/register/?src=broadcast>

2. Login with your username and password.

The screenshot shows the registration page for the FeelConnect Chrome Extension v 0.17. It features a blue header with the extension name and version. Below the header, there is a text prompt: "To start using the extension, please provide your email address in the field below. You will receive an 8-digit activation code." An "Email:" label is positioned above a text input field containing "ashton@kiiroo.com". Below the input field is a checkbox labeled "I agree to the Terms and Conditions" which is checked. A blue "Submit" button is located at the bottom of the form.

The screenshot shows the activation page for the FeelConnect Chrome Extension v 0.17. It features a blue header with the extension name and version. The main text reads: "We have sent an activation code to **ashton@kiiroo.com**. Please check your email and enter the 8-digit code in the field below. If you haven't received it, please check your spam folder." Below this text is an "Activation Code" label above a text input field containing "Enter activation code". A blue "Submit" button is positioned below the input field. At the bottom, there are two links: "Resend Activation Code?" and "Change Email".

The screenshot shows the QR code page for the FeelConnect Chrome Extension v 0.17. It features a blue header with the extension name and version. The main text reads: "Scan the QR code below using the FeelConnect Mobile App". Below this text is a large QR code. Underneath the QR code is the text "Don't have FeelConnect Mobile App?". At the bottom, there are two buttons: "Download on the App Store" and "GET IT ON Google Play". A light blue box at the very bottom contains the text: "To ensure optimal functionality, please do not lock your mobile phone or have any other applications running in front of the FeelConnect app."

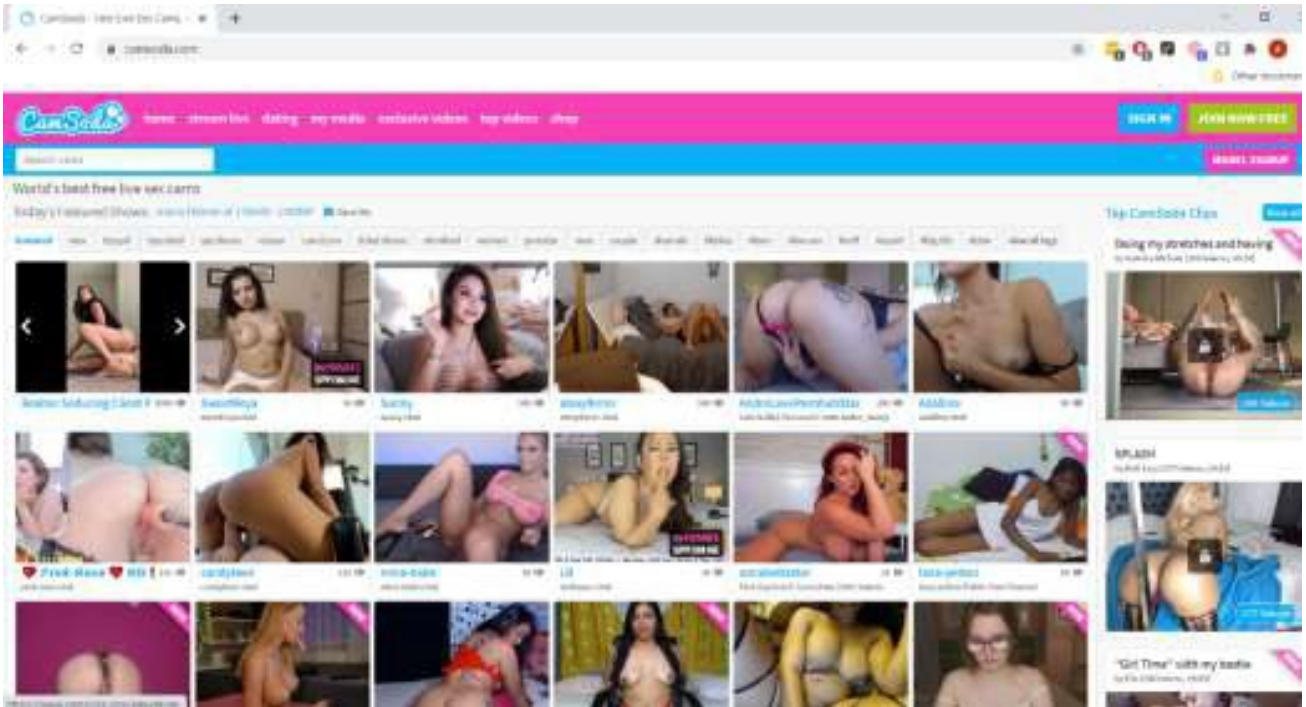

The screenshot shows the settings page for the FeelConnect Chrome Extension v 0.17. It features a blue header with the extension name and version. The page is divided into several sections: "Intensity of the vibrations:" with a slider from 0% to 100% and a note "Set your minimum vibration level."; "Incremental increase:" with a slider from 1% to 25% and a note "Set the percentage that the vibrations will increase."; "Duration of vibrations:" with a slider from 1s to 10s and a note "Set the vibration time that your toy vibrates."; "Connected devices:" with a list of devices: "Aogu SUV" and "Emma NEO", both with green checkmarks. At the bottom, a light blue box contains the text: "Please note: each tip you receive will have a random vibration pattern."
