BERBER BATHING

Bring a softer feel to your bathroom, as shown here, with tactile accessories. Kilim rugs – available at Tigmi Trading (tigmitrading.com) – will add both colour and comfort underfoot, and weathered wood lends a space warmth and character. Find a selection of timber furniture at Driftwood Interiors (driftwoodinteriors.co.uk); Corian's 'Delight' tub is similar to this one (£4,200; corian.uk). ▶
