PRICELIST 2023

TIGMI

Cappelen Dimyr is a creative collective based in Copenhagen, passionate about creating contemporary artisanal rugs and tapestries in the finest natural fibers, handcrafted by specialists in India using traditional techniques. The world of Cappelen Dimyr is significantly bohemian, warm and artistic with a clear DNA – conscious, crafted and personal.

Their collections are an interpretation of slow luxury with each object carefully designed and produced to stand the test of time.

Cappelen Dimyr launched the first chapter of rugs in 2019 and now offers both rugs and tapestries. Using only natural fibers such as unbleached linen and wool in an effort to make products that have minimal harmful impact on the environment - every piece is trimmed by hand, washed with natural soap, and dried under the sun. Certified by GoodWeave and Care & Fair, Cappelen Dimyr uses no chemicals in any part of the production, and constantly strives to improve their practices in respect for people and the planet.

AVAILABLE IN AUSTRALIA EXCLUSIVELY FROM TIGMI.
