TIGMI CURVE MIRROR

The Tigmi Curve Mirror Collection is designed in-house and handcrafted locally in Byron Bay.

Designed with a fluid - non-structured shape, the Tigmi Curve Mirror is dedicated to freedom of form and allows for the mirror to morph harmoniously into any space.

With a pronounced black timber frame, the mirror proudly protrudes from the wall as a simple, subtly sculptural piece.

With the ability to be hung in multiple ways, the Curve Mirror is available in 5 sizes, to accommodate a variety of spaces.
