

FRENCH MIRRORS

PRICELIST 2023

TIGMI

Handmade in Paris, these sculpted mirrors are crafted from plaster by artist Vincent Vauban.

The flexible and asymmetrical forms are inspired by Greek mythology. Reminiscent of a mineral and maritime universe, they pay homage to the great plaster artists of France in the early 20th century.

Featuring plaster as the materiality in its pure form, they are finished with a fish eye mirror with the ability to be hung however the viewer interprets each piece.

AVAILABLE IN AUSTRALIA EXCLUSIVELY FROM
