Cast Palladiana by Harley Hamilton

A handmade collection of custom tables designed and constructed in Melbourne, realised in a mix of natural stone, glass fibre and reinforced concrete - creating a low, smooth profile resulting in a beautiful and refined finish.

Named after Palladiana, a construction technique dating back to Ancient Rome, it is aesthetically similar to terrazzo with set uncut stones in cement. Fusing history with modernity, the Cast Palladiana collection uses Grigio Orsola natural stone bars consolidated in cast concrete composed of 70% recycled material.

Made to order with a lead time of 6-8 weeks. Please provide your shipping address upon enquiry so that we can arrange a shipping estimate for you.
