

NOIR DE NOIR

2023

Through an accessible blend of only the finest red wine cultivars - Pinotage, Cinsault and Petit Verdot – comes the smooth Noir De Noir blend, a refined wine boasting fresh blackberry fruits. Easy to spot by way of its interesting packaging, inspired by the distinctive yet classic Zonnebloem sunflower, the Noir De Noir is the perfect companion to end a well-rounded day.

This wine is made from a blend of Cinsault 50%, Pinotage 40% and Petit Verdot 10%.

THE CRAFT OF VITICULTURE

Isabel Habets (Viticulturist) The Pinotage, Cinsault and Petit Verdot grapes were sourced from vineyards in the Stellenbosch area. Grapes were picked from mid-February to mid-March between 23 °B and 25 °B.

THE CRAFT OF VINICULTURE

Elize Coetzee (Cellar Master) / Bonny van Niekerk (Wine maker)

The grapes were harvested by hand at 23° to 25° Balling from mid-February to mid-March. The juice was inoculated with selected yeast and fermented at an average temperature of 24°C. Extraction was performed using pump-overs, which took place three times a day. After fermentation, the skins were pressed, with the hard pressings excluded, to ensure a medium-bodied, juicy palate. After natural malolactic fermentation, the wine was matured with a combination of French and American oak.
