THE WINEMASTERS

Nederburg The Winemasters Shiraz | 2021

THE RANGE:

The Winemasters ensemble, comprising a top-quality range of varietal offerings, is named to honour the Paarl winery's long-established tradition of winemaking excellence. These classically styled, food-friendly wines with abundant fruit flavours, elegance and finesse, treasure the integrity of the grapes in every step of the wine-growing and winemaking journey. Every drop demonstrates an unwavering commitment to world-class vineyard and cellar skills.

VINEYARDS:

The grapes were sourced from vineyards across the Western Cape. The viticulturist works hand-in-hand with the grape growers in managing each vineyard block to ensure the best quality fruit for this wine. The different microclimates and soil types associated with each vineyard add to the complexity of the wine.

WINEMAKING:

The grapes were harvested by hand and machine at 24° Balling during February and March. The fruit was crushed and fermented in temperature-controlled stainless steel tanks at 25° to 28° C for a period of two weeks. Upon completion of malolactic fermentation, the wine was matured in contact with French oak for a period of 12 months.
