#### **Background**

Established by the French Huguenots in 1693 on the slopes of the Simonsberg Mountains between Paarl and Franschhoek, Plaisir de Merle is a rare gem.

A Distell showpiece, this 974 hectare estate in Simondium, Paarl, has earned international acclaim for its white and red wines. About 400 hectares are planted with a variety of noble grape cultivars such as Chardonnay, Sauvignon Blanc, Cabernet Sauvignon, Merlot, Petit Verdot, Cabernet Franc, Shiraz and Malbec. An area of only about 80 hectares of prime vineyards has been set aside for the Plaisir de Merle cellar. Winemaker Niel Bester who in 2016 celebrates 24 years as cellar master at Plaisir de Merle, has gained fame in producing classically styled yet accessible wines, and attributes the success of his wines to being able to work with great fruit coming from a very unique terroir and the invaluable input from his viticulture team.

#### **The vineyards**

The diversity of the soils, slopes and elevations all add to the quality of Plaisir de Merle's grapes. Well-drained weathered granite soils (predominantly Tukulú and Hutton) with good water retention allow minimal interference in irrigation with most vineyards being dry land. The grapes were selected and handpicked from two vineyards. They are situated between 140m and 370m above sea level on the south-eastern slopes of the Simonsberg.

*Viticulturist:* Freddie le Roux

#### **The winemaking**

The grapes were harvested at 24.2 and 24.9 ° Balling and were fermented in stainless steel tanks at 24 °C for around 7 to 9 days. The juice was pumped over the skins daily until fermented dry. Upon completion of fermentation the wine was left on the skins for 10 days. The wine was racked off the skins and malolactic fermentation was completed in the tanks and barrels. The wine was matured in 33% new, 38% second-fill and 29% third-fill French oak barrels for periods ranging from 12 to 16 months. Finally all the individual barrels were tasted and evaluated to select the final blend.

#### **Winemaker's comments**

**Colour:** Bright red

**Bouquet:** Fragrant red berries and floral notes with hints of spice and mint chocolate.

**Taste:** Cherries, hints of cloves and mocha and sweet tannins on the palate ending with a soft, velvety finish.

**Ageing process and potential:** Accessible now and with careful cellaring will mature for a further five to ten years.

**Food pairing:** Made to complement most food dishes, this Merlot pairs well with venison, pot roasts and other lightly spiced meat dishes.

#### **Chemical analysis:**

**Residual sugar:** 2.3 g/l

**Alcohol:** 13.98 % ABV

**Total acid:** 5.9 g/l

**pH:** 3.53

**Extract:** 30.5 g/l
