# PINOTAGE

2017

## THE CRAFT OF VITICULTURE

*Isabel Habets (Viticulturist)* The grapes were sourced from trellised, dry land and irrigated vineyards in the Stellenbosch, Stellenbosch Kloof, Devon Valley and Somerset West areas. Some of the vines are grown under dryland conditions while others are irrigated. Mostly south-west facing, they derive the maximum benefit from cooling maritime breezes that contribute to the slow ripening of the grapes and concentrated fruit flavours.

## THE CRAFT OF VINICULTURE

*Bonny van Niekerk (Winemaker)*

The grapes were harvested by hand at 25.5° to 26.5° Balling in February when fruit and tannins were fully ripened but the berries and skins still firm. Each vineyard block was individually vinified. After fermentation for 10 to 13 days, the wine was aged in a combination of small wood (55%) and in stainless steel tanks (45%). First and second fill 300 litre American, French and Hungarian oak barrels were used for maturation.

## THE WINE

*Colour* Dark plum red.

*Bouquet* Elegant aromas of dark purple fruit and oak spice.

*Palate* A full-bodied wine, bursting with cherry flavours and spice. Seamless integration of spice, cloves and plum flavours, creating a long lingering finish on the palate.

## FOOD PAIRING

Excellent enjoyed on its own or served with poultry, game or red meat dishes. The wine also pairs well with dark chocolate desserts and roasted pecan nuts.

Zonnebloem red wines are vegan friendly.
