About Us

WHO WE ARE

GRAND SQUARE is a company that is engaged in the retail trade of quality timepieces with affordable prices. We offer a variety of collections designed for clients who are looking for a timepiece that fits their personality. Timekeeping functionality is important but we also consider a few selected features and appearances in order to suit the needs and preferences of our customers

GRAND SQUARE makes sure to offer a perfect combination of competitive pricing and excellent customer service in showcasing our brands such as

MISSION

We are a timepiece distributor, sales and service company

We commit to give total customer satisfaction by providing the widest choice of timepieces and accessories with competitive prices, uncompromised quality, and efficient service before, during and after sales, in the most convenient locations

We offer our employees quality of life. We give fair and competitive wages and benefits through equal opportunities and training, development and advancement

We treat our dealers and suppliers as our main business partners

We believe in protecting and sustaining each other's interests for mutual benefit

VISION

To be the number one company in the timepiece industry, in terms of Market share, sales, growth, product innovation and services
