SO MUCH TO EXPERIENCE HERE

Manual production lives on at Meissen. Anyone visiting the city by the Elbe will be able to see that for themselves in our Meissen Theme World. Immerse yourself in the world of Meissen porcelain – discover Meissen with all your senses.

In our Demonstration Workshop you will experience at first hand how new designs are exquisitely hand-crafted. You will find all there is to know about more than 300 years of porcelain production and Europe's first trademark – the Crossed Swords – in our Museum.

You can either become an artist yourself by designing your own personal one-off in Meissen porcelain in our workshops or else explore our production facilities in a "behind-the-scenes" ManufacTOUR.

In Café Meissen you can indulge in modern, regional cuisine served on our scintillating porcelain. In our Meissen Store you will find inspiration and products to suit your very own lifestyle. Tours, events, holiday attractions and exciting exhibitions will enable you to discover and experience aspects of Meissen all year round.

DEMONSTRATION WORKSHOP

WHERE TRENDS MEET CRAFTSMANSHIP

Discover what our porcelain is capable of. In our Demonstration Workshop you will witness genuine artisanry, feel our loving attention to detail and be taken through the main work routines. Our experienced Manufactory artists will be pleased to let you peep over their shoulders as they throw a cup on the wheel, add the finishing touches to a figure or decorate a porcelain.

MUSEUM

TRADITION VIBRANTLY STAGED

On a tour of the Museum run by the Meissen Porcelain Foundation you will encounter no end of exhibits from all ages of production at Europe's first porcelain manufactory. Immerse yourself in the history of the Meissen Manufactory, dating back to 1710, and marvel at huge sculptures and unique works of art. Exhibits are staged in a modern manner with interactive features, illuminated objects, projections, sound effects and film sequences that really bring the evolution of our world-famous Meissen porcelain to exciting life. Kids can playfully explore our Museum by going on a thrilling MEISSEN safari or tablet-based rally.

CATERING

CULINARY HIGHLIGHTS

The treats our Café & Restaurant MEISSEN staff have in store for you are both culinary and visual in nature. Switch off for a while with us and, in a stylish setting, enjoy modern cuisine made up of fresh ingredients served on Meissen porcelain whilst also getting to know our fine regional wines. A broad selection of cakes and gateaux, snacks, and full meals and beverages will round your visit off to perfection.

SHOPPING

BEHOLD – MARVEL – ACQUIRE

Once you've been enchanted by our breathtaking world of Meissen porcelain, you can take a piece home with you as a memento of your experience. You'll be sure to find just the right gift here for your loved ones and we'll be pleased to wrap it up and have it shipped to you if you so wish.

FUNCTION ROOMS

UNIQUE – BESPOKE – STYLISH

Company event, conference, workshop or family get-together: We will join with you to plan an unforgettable Meissen event geared to your very wishes. We will gladly quote you for a bespoke offering in any of our wide range of in-house venues. Awaiting you will be a unique setting further enhanced by cultural and culinary delights.

HOLIDAYING IN MEISSEN AND DRESDEN

BOOK YOUR TRAVEL EXPERIENCE

Romantic alleys and terraces with incomparable views over the roofs of Meissen make for a unique holiday experience. Learn about this millennial city's illustrious history on a guided tour and whilst visiting the Albrechtsburg fortress and the adjacent cathedral. Restaurants, cafés and vineyards will spoil you with culinary offerings from the region.

Highly recommendable ways of reaching Dresden are by steamer up the Elbe or by bicycle alongside the river. Awaiting you in Dresden will be the iconic silhouette of the Baroque inner city with historical highlights such as the Semper Opera House and the Church of our Lady. The vibrant Neustadt district on the other bank of the Elbe offers a complete contrast to this. Both banks are home to concerts, flea-markets and an open-air cinema in the summer months. Visits to Moritzburg and Pillnitz and hiking in Saxon Switzerland are likewise very worthwhile.
