

Svanhilde Ringstorleksguide

Mät en ring du redan har:

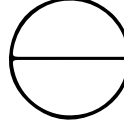

Placera ringen på det tryckta pappret och se vilken av ringarna som är mest exakt samma storlek som din ring. Du kan också jämföra innerdiametern.

Kom ihåg:

Mät mallen med en linjal för att se till att det utskrivna papperet har rätt storlek, annars kan måtten bli felaktiga. Skala inte utskriften vid utskrift.
