

Since 1948

# S. Amden Group of Companies

MANUFACTURER & EXPORTER

ISO Certified

Edition 2023

SAC is a global leader in the flavor & fragrance industry, since 1948. It offers its products to global, regional, and local foods, beverages consumer goods, and fragrance brands. Today SAC remains committed to being a brand that always demonstrates a sense of urgency and flexibility in meeting the needs of its customers and providing a stimulating and satisfying working environment for its employees. Our flavors division has eight business units; Beverages, Dairy, Savory, Sweet Goods, Tobacco Flavor, Health and Wellness and Food Services.

#### **ABOUT US**

Established in 1948, SAC has substantially expanded its manufacturing and marketing of products, eventually becoming Pakistan's leading manufacturer and distributor of flavoring, essence and perfume. SAC leads the industries, with over 4000 products to offer to its customers.

#### **RESEARCH & DEVELOPMENT**

Discovery is the process of revelation and invention. This ideology leads to the cultivation and development of flavors and fragrances to create new products for market opportunities.

We persistently study new and existing market products in order to maximize the performance and quality of our products to the customers.

We strive for continuous improvements in every area it is through these small improvements as well as through major breakthroughs, that we achieve excellence.

#### **OUR VISION**

Creativity is the essence of our business- SAC has the ability to see beyond the horizon and create tomorrow's trends today. Our creative skills are what set SAC apart from others.

SAC's history has been a success story over the last 50 years and we have a consistent strategy going forward. Our focus is on building partnership with our clients and continuing to grow our position and presence in all major mature and developing markets.

#### **ENGAGING THE SENSES**

We place all of our creative, scientific, and technical know-how at the service of our customers who we also regards as our partners.

We engage through:

- Commitment to discover.
- Fulfill our customer's needs.
- Partnership with customers.
- Deliver on time.
