## URBAN STYLE QUILTED JACKET

Inspired by the urban fashion scene, Lindenwood offers a unique opportunity to dress casually and simultaneously make a stylish statement. Lindenwood is a water-repellent, light jacket made of 100% recycled outer material and a Sorona-Aura insulation, which can be worn all year round. The popular vertical quilted pattern makes this jacket the ideal companion both for elegant as well as for more robust outfits. The men's version features a stand collar and zippered pockets. The women's version has a 3/4-length, push buttons on the pockets and a stand collar.
