The springtime of Lovers has come,
that this dust bowl may become a garden;
the proclamation of heaven has come,
that the bird of the soul may rise in flight.
The sea becomes full of pearls,
the salt marsh becomes sweet as kauthar,
the stone becomes a ruby from the mine,
the body becomes wholly soul.

"Do you know what you are?
You are a manuscript of a divine letter.
You are a mirror reflecting a noble face.
This universe is not outside of you.

"Lovers find secret places
inside this violent world
where they make transactions
with beauty."

"All religions. All this singing. One song. Peace be with you."

"Outer eyes are the inner eyes' reflection,
For outer eyes are under their direction...."

"Love is like a gold mine,
The deeper you dig in your heart, the more love you
receive."

"On the path of Love we are neither
masters nor the owners of our lives.
We are only a brush in the hand of the
Master Painter."

"Woman is the light of God."

"The springtime of Lovers has come,
that this dust bowl may become a garden.."

"Fall in love so that when death comes
life will be cured."

"Billions of stars will lose its fuel from the brightness of the only face,
the guest of your heart, the beauty of your soul."

The sea becomes full of pearls,
the salt marsh becomes sweet as kauthar,
the stone becomes a ruby from the mine,
the body becomes wholly soul.

"Do not feel lonely, the entire universe is inside you."

"Would you become a pilgrim on the road of love? The first condition is that you make yourself humble as dust and ashes."

"It is rain that grows flowers, not thunder."

"There are a thousand ways to kneel and kiss the ground; there are a thousand ways to go home again."

"There are a thousand ways to kneel and kiss the ground; there are a thousand ways to go home again."

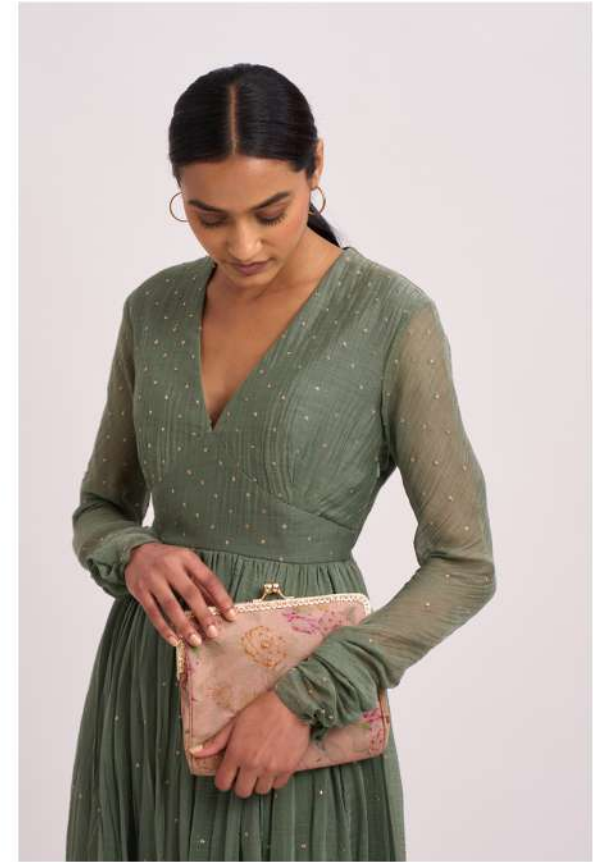

"You are not a drop in the ocean. You are the entire ocean,
in a drop."

"I am so close, I may look distant.
So completely mixed with you, I may look
separate. So out in the open, I appear hidden.
So silent, because I am constantly talking with you."

"If the foot of the trees were not tied to earth,
they would be pursuing me. For I have
blossomed so much, I am the envy of the
gardens."

"Don't wait any longer.
Dive in the ocean,
Leave and let the sea be you."

"Your task is not to seek for love, but merely to seek and find all the barriers within yourself that you have built against it."

"There's a field somewhere
beyond all doubt and wrongdoing.
I'll meet you there."

"Love so needs to love
that it will endure almost anything, even abuse,
just to flicker for a moment. But the sky's mouth is kind,
its song will never hurt you, for I
sing those words."

"The minute I heard my first love story,
I started looking for you, not knowing how blind that was.
Lovers don't finally meet somewhere. They're in each other all along.
What you seek is seeking you."

"Be certain that in the religion of Love there are no believers and unbelievers. LOVE embraces all."

"make your last journey
from this strange world
soar for the heights
where there is no more
separation of you and your home

God has created
your wings not to be dormant
as long as you are alive
you must try more and more
to use your wings to show you're alive"

"In your light I learn how to love. In your beauty, how to make poems. You dance inside my chest where no-one sees you, but sometimes I do, and that sight becomes this art."

"Peaceful is the one who's not concerned with having more or less. Unbound by name and fame, he is free from sorrow from the world and mostly from himself."

"Seek the wisdom that will untie your knot.
Seek the path that demands your whole being."

"Be empty of worrying. Think of who created thought!"

"I am filled with you. Skin, blood, bone,
brain, and soul. There's no room for lack
of trust, or trust. Nothing in this existence
but that existence."

"Someone who does not run toward the allure of love walks a road where nothing lives. But this dove here senses the love hawk floating above, and waits, and will not be driven or scared to safety."
