OUR STORY

## 3 ABOUT US

### FUNKY MONKEY BARS®

Funky Monkey Bars is a family-owned, Australian company that's been designing and manufacturing backyard monkey bars, outdoor play and fitness equipment in Australia for over 12 years.

Proudly the world's first manufacturer of free-standing and height-adjustable monkey bars and independently awarded for innovative design. All Funky Monkey Bars are modular, to allow your frame to grow and change to meet the needs of your family.

Funky Monkey Bars has taken backyard play & fitness equipment to a new level in safety, strength and versatility and continues to break new ground in design to introduce new components every year that add-on to the modular range of fun.

Funky Monkey Bars are made with Australian steel, we employ local and manufacture to Australia's high-quality standards and we only sell direct and deliver directly to our customers' backyards.

**Contact the Funky Crew for advice on which frame will fit in your backyard.**

# FUNKY FEATURES

We've made our **Funky Monkey Bars®** to suit you with a host of features that make our award-winning play and fitness equipment tough, durable, creative, portable, to high safety standards and above all fun.

## UNIQUE, FREE-STANDING PATENT DESIGN

A truly ground-breaking, free-standing design that has taken backyard playgrounds to a new level in strength, stability and portability. All Funky Monkey Bars feature the unique 'twirly whirly' bars to brace the frame against movement and allow it to stand without the need to concrete – just peg it down on grass.

## WORLD'S FIRST HEIGHT-ADJUSTABLE MONKEY BAR

Funky Monkey Bars made the world's first height-adjustable monkey bar to allow your frame to grow up with your family and for your child to take age-appropriate challenges. Height-adjustable from 1.2 to 2.3m height and some of the frames climb to three metres.

## CUSTOMISE TO SUIT YOUR FAMILY

Funky Monkey Bars is a modular system. You choose the size of the frame that will fit in your backyard and then choose the accessories to customise to suit the age and interests of all the family. Add on more frame and accessories as the family grows to keep everyone active and outdoors at play together.

## STRONG ENOUGH FOR KIDS AND ADULTS

Built tough and strong enough for lots of kids to play together and also for adults to use for fun and fitness. The 900mm wide x 3 metre long monkey bar allows plenty of kids to get involved. Load rated from 756kg for The Original frame to 1,690kg for the ultimate Mandrill PLUS.

## BUILT TO AUSTRALIAN STANDARDS

All Funky Monkey Bars playground configurations are designed within Australian Standards AS4685 for commercial playgrounds as only the best will do for all Funky kids when it comes to quality and safety.

## 10 YEAR WARRANTY

So great is our confidence in Funky Monkey Bars outstanding design and Australian quality manufacturing standards, we offer a 10-year warranty on Funky Monkey Bars frames. For all accessories and powder-coating the warranty is one year.

## FUNKY COLOUR RANGE

Choose from a range of colours that kids love and that fit with our uniquely industrial look; purple, lime green, blue, green, red and silver. All the upright legs of the frame will be a contemporary silver and the colour choice is in the monkey bar and twirly whirly bars.

## QUALITY MATERIALS

All Funky Monkey Bars frames are made from Australian galvanised steel, coated inside and out so it won't corrode, with malleable iron fittings. Powder-coated in Australia for Australian conditions using UV protected Dulux and Interpon paints for a quality finish. Only the best materials are sourced for the extensive range of accessories.

## MADE FOR SELF-INSTALLATION WITH EASY INSTRUCTIONS

Funky Monkey Bars instructions are bullet proof for the novice to be able to follow step-by-step. It is recommended two people undertake installation armed with a level and some muscle – all the tools needed come supplied with your frame. Video tips can be found on the website [funkymonkeybars.com](http://funkymonkeybars.com)

## AUSTRALIAN MADE

The first Funky Monkey Bars was made for our own children. Since then, thousands of kids have got out in the backyard on their Australian-made Funky Monkey Bars; made with Australian galvanised steel, built to Australian Standards in the Western Australian manufacturing sheds.

# AUSTRALIAN MADE

## AUSTRALIAN STEEL USED IN AUSTRALIAN MADE MONKEY BARS

Funky Monkey Bars frames feature Australian manufactured steel produced to Australian Standards for its exceptional quality and consistency.

Unique Australian technology is used to protect the steel from corrosion on the inside and out. A uniform and consistent electro-galvanised zinc coating and clear polymer protective coating is applied to both sides of the steel.

The galvanised steel tube used in all Funky Monkey Bars is 48mm diameter throughout the frame and 26mm diameter in the 850mm long rungs. All the galvanised steel pipe is then powder-coated in Australia, for Australian conditions, using UV protected Dulux and Interpon paints for a quality finish in six brilliant colours.

## MACHINED WITH PRECISION

At Funky Monkey Bars we choose not to weld your frame to maintain the integrity of the corrosion protective qualities of the double-coated Australian steel pipe.

Rather, we use precision laser steel cutting machinery so that your frame is accurately cut to within a fraction of a millimetre for self-installation and portability in your backyard.

The versatility of the modular frames, when they're made for you in Western Australia, allow you to continue on your Funky Monkey Bars journey as the range grows along with your family.

# FUNKY MONKEY BARS® FRAMES

This award-winning design has been recognised with a **Australian Good Design Selection.**

All **Funky Monkey Bars®** are height adjustable from 1.2 to 2.3 metres.

**Free-standing and portable.** There is no need to cement them in.

You choose **one colour** to be used for your ladder, rungs and twirly whirly bars.

All legs and swing frames are **powder coated silver.**

## THE ORIGINAL

BASE FRAME FOR ALL FUNKY MONKEY BARS®

4-5m\* (L) x 2-2.7m\* (W) x 2.3m (H)  
\* you can position stabilising bars at different angles to reduce the footprint

**\$1,090**

Everyone loves a monkey bar and The Original is the base frame for all Funky Monkey Bars® and its complete range of modular fun. Add-on to The Original with extra frames and accessories to suit your family as it grows. The Original features a three-metre long, 900mm wide height-adjustable monkey bar with nine rungs, to allow two monkeys to safely go past one-another at a time.

Like all Funky Monkey Bars®, The Original includes four 'twirly whirly' bars, that are designed to spin around and to stabilise the frame. Simply peg it down on grass – no need for concrete. Load rated to 756kg.

■ All prices inclusive of GST.  
Order online | [funkymonkeybars.com](http://funkymonkeybars.com)

## THE ORIGINAL

5m (L) x 2m (W) x 2.3m (H)

**\$1,560**

**ADD-ON  
EXTRA  
SWING**

## THE ORANGUTAN

5m (L) x 2m (W) x 2.3m (H)

\$1,890

### STYLISH FUNKY FUN FOR NARROW SPACES

Designed for yards that are narrow The Orangutan is a 5m x 2m wide frame that includes the monkey bars with two swing stations featuring a Sling Swing and a Trapeze. The perfect monkey bar for a growing family as you can continue to add more frame and swap out accessories to suit all ages.

The Orangutan has fast become the swing set of choice for a modern Australian backyard because of its size and a slick design that could feature anywhere in the yard; back, side or front! Load rated to 923kg. Options to grow this frame are endless.

## THE ORANGUTAN

### PLUS FLOATING FLYING FOX

FLYING FOX FUN ON A NARROW FRAME

5m (L) x 2.6m (W) x 2.3m (H)

# THE ORANGUTAN

PLUS CARGO

INCLUDES 3M CARGO WALL

5m (L) x 2m (W) x 2.3m (H)

\$2,420

For climbers, the addition of the Cargo Wall to The Orangutan will build skills and confidence. Kids love the Cargo Wall to hang and climb together with a bunch of friends. Combined with the Monkey Bar, Sling Swing and Trapeze you have a sleek and slim backyard playground. Plenty of options to swap-in and add-on as the family grows. Load rated to 923kgs suitable for children and adults.

■ All prices inclusive of GST.

# THE ORANGUTAN

PLUS COMBAT

INCLUDES AWARD-WINNING COMBAT LADDER

5m (L) x 2m (W) x 3m (H)

\$2,930

Monkey bar heaven with the Combat Ladder alongside the 3m monkey bar on The Orangutan PLUS Combat. The 30-degree angle monkey bars require a different skill and muscle to conquer. Perfectly paired with the Cargo Net and Roman Rings for gymnastics and fitness training and fun. Load rated to 923kg and suitable for children and adults.

NEW

ADD-ON  
FLYING  
FOX

ADD-ON  
CHALLENGE  
WITH  
FLOATING  
NINJA GRIPS

# THE CHIMP

5m (L) x 3m\* (W) x 2.3m (H)  
\* only 2m at opposite end

\$1,710

## MONKEY BARS AND SWINGS WITH SPACE TO ADD-ON

The Chimp is a popular entry point into Funky Monkey Bars® modular, outdoor play system. It has the height-adjustable, three-metre monkey bar combined with two popular swings; the sling swing and the trapeze, or swap out these accessories for others like the Cargo Net, Jungle Rope or Chillin' Hammock Swing.

It's super easy to add-on more frame and convert The Chimp to The Gorilla or The Ninja, or another fantastic combination. Load rated to 923kg.

# THE LEMUR

5m (L) x 3m (W) x 2.3m (H)

\$2,430

## INCLUDES THE FUNKY FLYING FOX

The Lemur includes more classic playground fun with the addition of a three-metre Flying Fox. The Funky Monkey Bars® Flying Fox is a smooth ride on polyurethane wheels with a heavy-duty trolley that can take adults and kids.

The Flying Fox comes with a Button Swing/Seat to sit or stand, or swap it for the Flying Fox Handle to fly across. The combination of a Monkey Bar, Flying Fox, Sling swing and Trapeze is endless fun. Load rated to 780kg.

# THE LEMUR V2

5m (L) x 3m (W) x 2.3m (H)

\$2,530

## LOADED WITH CLIMBING FUN

The Lemur V2 is great for Funky Monkey kids who love to climb and swing with the challenge of the Delta Ninja Rings and 3m Horizontal Jungle Rope combined with the 900mm wide x 3 metre long monkey bar – you can play like a monkey all day.

With the inclusion of classic playground fun on the Sling Swing and Trapeze, the kids will go bananas for The Lemur V2.

Continue to add-on to The Lemur V2 with the 3m Cargo Wall or Floating Accessories Bar or go higher with a Height Extender or Combat Ladder. The options are endless with this as the base frame. Load rated to 780kgs.

# THE GORILLA

LOTS OF ACCESSORIES  
FOR KIDS OF ALL AGES

5m (L) x 3m (W) x 2.3m (H)

\$2,475

The Gorilla is a brilliant backyard playground for the whole family and plenty of friends. It includes the Toddler Swing so that the very young can be part of the fun, progress to climb the Cargo Net and build strength to tackle the monkey bars and swings and hang upside down on the twirly-whirly bars and Trapeze. You can swap out any of the accessories to suit your family and the age of the kids.

The Gorilla is one of Funky Monkey Bars® most popular frames. You can easily add-on popular accessories like the Floating Flying Fox, the Nest Swing Package, Combat Ladder or a Firefighter's Pole, plus so much more. The perfect frame to grow with your family. Load rated to 1,090kg.

■ All prices inclusive of GST.  
Order online | [funkymonkeybars.com](http://funkymonkeybars.com)

# THE GORILLA

PLUS FLOATING FLYING FOX & NEST SWING  
THE ULTIMATE BACKYARD MONKEY  
BAR AND SWING SET

5m (L) x 3.6m (W) x 2.3m (H)

\$3,345

This wildly popular model takes The Gorilla and adds-on Funky Monkey Bars® most popular accessories; the Floating Flying Fox and the Nest Swing Package. It's the ultimate backyard playground for all ages.

This perfectly balanced frame is adored by families everywhere because it's loaded with so much fun in such a compact and functional frame. Easy to add-on more challenging equipment like the Combat Ladder, Height Extenders and more fitness and sports equipment. Load rated to 1,090kg.

## THE GORILLA

PLUS CLIMBING NET

INCLUDES 3M  
HORIZONTAL CLIMB

5m (L) x 3m (W) x 2.3m (H)

\$2,895

■ All prices inclusive of GST.  
Order online | [funkymonkeybars.com](http://funkymonkeybars.com)

## THE GORILLA

PLUS COMBAT

INCLUDES COMBAT  
LADDER & CARGO WALL

5m (L) x 3m (W) x 3m (H)

\$4,035

For those who want that little bit extra, this is perfect for all ages and the ideal combination of fun and fitness. Featuring the added challenge of a 3m high Combat Ladder and Power Pole, a huge Cargo Wall and a long 3m Jungle Rope. Load rated to 1,090kg and suitable for children and adults.

# THE CHEEKY LITTLE MONKEY

THE FRAME FOR CHEEKY LITTLE SPACES

3.5m (L) x 2.3m (W) x 2.3m

\$1,840

The Cheeky Little Monkey is made for backyards limited by space with a compact footprint of just 3.5m x 2.3m and it's loaded with fun. Ideal for small kids or small backyards.

As a stand-alone frame it includes the accessories designed to fit a small space; a Cargo Net, Jungle Rope and Trapeze. The addition of the Accessories Bar allows you to add-on more equipment like the Ninja Grips or Nest Swing or the 2.3m Horizontal Climbing Net.

The seven-rung monkey bars and 450mm twirly whirly bars are shorter than our regular range so that you can pop up The Cheeky Little Monkey in tight spaces. It is free-standing like all Funky Monkey Bars® so no need for concrete! Load rated to 1,403kg.

**PLEASE NOTE:** Not all accessories can attach to this small frame and the option to grow this is limited because the base frame is smaller.

ADD-ON  
CUBBY  
& NINJA  
GRIPS

Available in  
**TWO colours:**  
Blue and Lime.

■ All prices inclusive of GST.  
Order online | [funkymonkeybars.com](http://funkymonkeybars.com)

# THE CHEEKY LITTLE MONKEY

PLUS

INCLUDES FLYING FOX &  
FIREFIGHTER'S POLE

3.5m (L) x 2.9m (W) x 2.3m

\$2,550

The NEW 2.3m Floating Flying Fox floats out from the Cheeky frame on galvanised steel extension bars and brackets. Also added on is the Firefighter's Pole, for kids to climb up the Cargo Net and then slide back down, and the Trapeze and Jungle Rope. There is still room to add-on more with an extra 2.3m Accessories Bar included. Load rated to 1,403kg.

# THE TAMARIN

5m (L) x 2m (W) x 2.3m (H)

\$1,670

## GYMNASTICS AND STRENGTH TRAINING

Kids who love monkey bars love more bars, at various heights, to climb, swing and twirl and you've got all that in The Tamarin. Adored by gymnasts for the training they can do in the backyard.

The Tamarin adds the strength building features of Dip Bars, or Parallel Bars as they are referred to by the kids, and it includes the height-adjustable Gymnastics Bar attached to the nine-rung, three metre monkey bars. Load rated to 900kg.

# THE TAMARIN

5m (L) x 3m (W) x 2.3m (H)

\$2,460

## PLUS SWING FRAMES

### A BAR WORKOUT WITH SWINGS TO SUIT EVERYONE

Amongst the twirly, spinning and gymnastics feats, with extra frames added to The Tamarin you can also choose to chill out on a swing or hang on a trapeze. It's a whole family frame this combo and they'll love it. You can add-on whatever accessories will suit your family when you create two extra swing stations. Load rated to 1,140kg.

■ All prices inclusive of GST.  
Order online | [funkymonkeybars.com](http://funkymonkeybars.com)

# THE AERIAL TAMARIN

5m (L) x 3m (W) x 3m (H)

\$2,995

TRAIN TO JOIN THE CIRCUS IN THE BACKYARD

Circus performers and gymnasts love the Aerial Tamarin as it includes a three-metre high Accessories Bar to hang aerial equipment including the Yoga Swing, Aerial Silk, 3m long Jungle Rope and Roman Rings. When attached to The Tamarin, that includes a monkey bar, parallel and gymnastics bars, it will make dreams come true for performers of all ages.

The Aerial Tamarin features the 3m Height Extender to allow extra room to swing and hang and can be used by kids and adults. Load rated to 1,464kg it's an impressive free-standing design!

# THE SILVERBACK

2m (L) x 1.85m (W) x 3m (H)

\$1,090

## BACKYARD FITNESS STATION

A free-standing and compact backyard workout station at 3 metres high that is suitable for adults and older kids.

The Silverback is perfect for backyard training using body weight to build strength and fitness. Features a height-adjustable Pull-Up Bar, Dip Bars and additional galvanised steel bars to hang resistance training equipment.

Funky Monkey Bars has a range of fitness equipment to add-on to The Silverback including; an Outdoor Boxing Bag, Weight Bar Holders, Roman Rings, 3m Jungle Rope and Ninja Grips. Load rated to 700kg.

### Popular Silverback training add-ons

Boxing Bag

Weight bar holders

Roman Rings

3m Jungle Rope

Ninja Grips

Yoga Swing

# THE SPIDER MONKEY

5m (L) x 2.5m (W) x 2.3m (H)

\$3,140

## THE COMPACT NINJA TRAINER

The Spider Monkey is the same shape and size as the popular Orangutan Plus but loaded with Ninja fun!

Just like a Ninja Warrior, travel across the bars on the Traverse Rocket Rings, swing between Monkey Bars and the Delta Rings and scramble up and over the 3m Cargo Wall.

Loaded with fun and still room to add-on more equipment including more Ninja Grips, Dip Bars and Roman Rings. Add-on a Swing and a Trapeze and all the kids will be happy. Load-rated to 1,250kgs.

All prices inclusive of GST.  
Order online | [funkymonkeybars.com](http://funkymonkeybars.com)

## THE NINJA

5m (L) x 3m (W) x 2.3m (H)

**\$3,325**

### FOR BUDDING WARRIORS

The Ninja is a fresh experience for budding Ninja Warriors in training, introducing NEW Funky accessories to the Funky Monkey Backyard Ninja range.

The Ninja comes complete with climbing, swinging and strength building equipment to train in your backyard.

Just like a Ninja Warrior, learn to tackle the Lache Bars, swing between the Monkey Bars and Ninja Grips and climb up and across more than 5 metres of Jungle Rope and the 3m Cargo Wall.

Add-on the Firefighter's Pole and the Combat Ladder to take The Ninja to another level in backyard ninja training. Load rated to 1,200kg.

## THE COMBAT NINJA

5m (L) x 3.25m (W) x 3m (H)

**\$4,150**

### AWARD WINNING BACKYARD NINJA TRAINING

Winner of the prestigious Good Design Award 2020 and a Finalist in the Australia By Design TV series for outstanding and innovative design. Funky fans were quick to adopt the Funky Monkey Bars challenge that's higher and harder with the addition of the Combat Ladder climbing up a 30 degree monkey bar to three metres high, across and then down again on an angle.

It also includes the 3m Height Extender that allows you to hang ninja, gymnastics and fitness accessories from two, 3m high Accessories Bars. Includes tough Delta Ninja Rings for free-style swinging, a 3m high Power Pole and 3m long Jungle Rope to climb up and down.

At the centre of this frame is the 3m, nine rung monkey bar that's height adjustable anywhere from 1.2 to 2.3m high. Also included on The Combat Ninja are the Long Ninja Grips and Roman Rings.

The Combat Ninja frame is completely free-standing, thanks to a solid, clever design and construction. Load rated to 1,920kg.

■ All prices inclusive of GST.  
Order online | [funkymonkeybars.com](http://funkymonkeybars.com)

## THE TROOP

8m (L) x 2m (W) x 2.3m (H)

\$2,800

LIKE A LAP POOL IN DIMENSIONS  
BUT MORE FUN

If you've got a long narrow backyard, or side yard, then this is the Funky Monkey Bars® you've been waiting for. The Troop is designed for that exact purpose, it has six metres of monkey bars and three swing stations and it's only two-metres wide. You can choose two colours in your frame and mix or match for fun!

It features the NEW Small Nest Swing that everyone loves, and get swinging on the Sling Swing or Trapeze. You've also got options to add-on to The Troop with Height Extenders, Accessories Bars and load it up with more add-ons.

Lots of kids can play on The Troop with a load rating of 1,403kg.

## THE MARMOSET

5m (L) x 4m (W) x 2.3m (H)

\$3,295

MONKEY MADNESS ON THE MARMOSET

The Marmoset is for lots of kids, it features two three-metre monkey bars that can be set at different heights and in different colours and four stations to hang swings and climbing nets and other accessories.

It's possible to swap accessories in and out to suit the age and interests of the family, friends or community group. The Marmoset is for Funky followers who want more monkey bars, and to be able to add-on more options like the Floating Flying Fox. Load rated to 1,620kg.

■ All prices inclusive of GST.  
Order online | [funkymonkeybars.com](http://funkymonkeybars.com)

## THE MANDRILL

8m (L) x 3m (W) x 2.3m (H)

\$3,825

### FOR A BIG SPACE YOU NEED THE BIGGEST FUNKY MONKEY BARS®

The Mandrill will give you the ultimate WOW factor in your backyard, just beware it could draw a crowd of neighbourhood kids. It is spectacular and the largest frame in the Funky Monkey Bars® family with an 8m x 3m footprint and loads of space to play.

It has two three-metre monkey bars that can be set at different heights and in different colours, an awesome Flying Fox and at least five swing stations that can be swapped out for other accessories plus you can still add-on more!

This is one amazing playground that will entertain a party of kids of different ages, confidence levels and capabilities and The Mandrill is load rated to 1,620kgs.

■ All prices inclusive of GST.  
Order online | [funkymonkeybars.com](http://funkymonkeybars.com)

## THE MANDRILL PLUS SO MUCH MORE!

8m (L) x 3.6m (W) x 3m (H)

\$5,635

### A BIG FRAME LOADED WITH BIG ACCESSORIES IS AWESOME

For those who want it all - consider The Mandrill PLUS loaded with Funky Monkey Bars best accessories to entertain the whole family and so many more. It's awesome and it's load rated to a massive 1,620kg!

On the 8m long Mandrill with its two height-adjustable monkey bars The Mandrill Plus also includes; the 3m high Combat Ladder, Power Pole and Jungle Rope, the Nest Swing Package, the Floating Flying Fox, Ninja Grips and the Horizontal Rope.

The Mandrill PLUS is one mega frame and like all Funky Monkey Bars® it's free-standing and portable and there is no need for concrete. It's a feat of playground engineering and showcases the best of Funky Monkey Bars®. So much fun!

# 32 NEW SWING SETS

## KEY FEATURES

For the early years, and for kids of all abilities, the NEW Swing Sets by Funky Monkey Bars are strong, safe and stable for all the family to join in the fun.

Choose from a huge range of swings, choose your colours and add-on more!

As the kids grow, transform a Funky Monkey Swing Set to a classic Funky Monkey Bars frame for a lifetime of play.

The strength of the Funky Monkey Swing Sets is unlike anything on the market, they're made of Australian steel and are rock-solid and safe thanks to a revolutionary, free-standing design supported by the stabilising Twirly Whirly Bars.

### ● BUILD YOUR OWN SWING SET!

Go online to build your own Swing Set with our Swing Set Builder. Choose from 18 swings and hanging equipment for a combination that best suits your family.

<https://www.funkymonkeybars.com/pages/swing-sets>

### ● ADD-ON MORE!

A Swing Set is much more when you add-on a Cargo Net, Netball Hoop, Basketball Hoop or Firefighter's pole by Funky Monkey Bars.

### ● TRANSFORM TO FUNKY MONKEY BARS®

The Funky Monkey Bars range® is modular, to grow up with your family.

**(A) The Funky Monkey Swing Set** can transform to **The Gorilla PLUS** and beyond.

**(B) The Cheeky Little Swing Set** can transform to **The Cheeky Monkey PLUS** and beyond.

# KEY FEATURES

## ● STABLE & SAFE

Our Swings Sets are stable and strong with a huge load rating of 920 to 1,025kgs. The weight of the Australian galvanised steel frame, and the clever design gives it rock-solid stability.

## ● HUGE RANGE OF SWINGS

Swings for all ages, and all abilities are available in many colours. Choose from **18 swings, nests, cubby houses, yoga swings** and other hanging equipment. Swap them in and out and watch young bodies and minds grow.

## ● CHOOSE YOUR COLOURS

Choose the colour of your frame to suit your landscape. Powder-coated in Australia so soft to touch and durable to last in all conditions. Funky Monkey Swing Set frames feature silver and a choice of six sensational colours. The Cheeky Monkey Swing Set has two colour choices. The swings come in an array of colours.

## ● FREE-STANDING STEEL FRAME

Our frames are made with strong, medium weight, Australian galvanised steel and coated inside and out against corrosion. Tough, malleable iron fittings and the unique 'Twirly Whirly' design stabilises the frame without concrete or digging. Free-standing and secured with an anchor screw into grass at each foot.

## FUNKY MONKEY SWING SET 3 STATIONS (CHOOSE YOUR OWN)

4.5m (L) x 2.6m (W) x 2.3m (H)

FROM \$1,340

For kids of all ages, and when friends join in, choose three swings to fill the 3 Station Swing Set with the option to add-on more. Plenty of wonderful combinations from a choice of 18 swings and other hanging equipment.

Popular options include the classic, Rubber Swing, Trapeze and a Toddler Swing. Make it a little Funky and choose, The Chillin' Longboard, a Jungle Rope and a Small Nest Swing. Load rated to 1,025kg.

## FUNKY MONKEY SWING SET 2 STATIONS (CHOOSE YOUR OWN)

4.5m (L) x 2.6m (W) x 2.3m (H)

FROM \$1,340

When you choose a big swing, like a Nest Swing or a Boxing Bag, you need a bit more room. Choose one more swing for a double combo on a 2 Station Swing Set.

Popular combinations to fill 2 Stations include, the Large Nest Swing and a Toddler Swing? For all abilities, the Yoga Swing with a 'Chillin' Hammock Swing. For fitness, a Boxing Bag and a Jungle Rope. Load rated to 1,025kg.

## FUNKY MONKEY SWING SET 1 STATION (CHOOSE YOUR OWN)

4.5m (L) x 2.6m (W) x 2.3m (H)

FROM \$1,215

The **1 Station Funky Monkey Swing Set** is best suited to the Swinging Cubby or a Yoga Swing to use without any interference from other hanging equipment.

Popular on 1 Station is the Swinging Cubby that's 140cm diameter and 165cm height. The Large Nest Swing and Chillin' Round Swing are also wide enough for lots of kids. For all abilities, the Yoga Swing and the Chillin' Hammock Swing are popular choices. For fitness, choose an outdoor Boxing Bag with lots of room for kick-boxing and sparring. Load rated to 1,025kg.

# CHEEKY LITTLE SWING SET 2 STATIONS (CHOOSE YOUR OWN)

3.5m (L) x 2m (W) x 2.3m (H)

FROM \$1,290

The Cheeky Little Swing Set has all the strength and stability, in a smaller footprint, with a choice of two swings, in lots of combos. It's free standing, safe and stable for swinging and climbing for toddlers to teenagers.

Popular options include the classics, Sling Swing, and Trapeze in lots of different colours. Make it a little Funky and choose The Chillin' Longboard with a Jungle Rope. Load rated to 920kg.

# CHEEKY LITTLE SWING SET 1 STATION (CHOOSE YOUR OWN)

3.5m (L) x 2m (W) x 2.3m (H)

THE FUNKY LEVELLING KIT

NEW

\$190 each

PATENT PENDING 2020204133

The NEW Funky Levelling Kit is an exciting innovation to help Funky Monkey Bars customers install on a significant slope or undulating yard.

If you have a slope or undulation of more than 100mm and less than 600mm over 3 metres, then The Funky Levelling Kits can help you to install a Funky Monkey Bars frame. Small slopes or general undulation, typical of a grassed backyard, can be accommodated within the existing Funky Monkey Bars frame and fittings.

Contact the Funky Crew for a Guide on How to Measure Your Slope to identify how many Funky Levelling Kits and Extra Levellers will be required.

■ All prices inclusive of GST.

# 50 SCHOOLS AND COMMERCIAL

Funky Monkey Bars® builds commercial-rated playgrounds that schools and businesses can afford and customise to suit their specific requirements.

## SCHOOLS

Funky Monkey Bars® are an affordable choice in a school or commercial environment; the play configurations are refreshing and new and adaptable to the market without compromise on quality.

They've been installed in early childhood, primary and secondary schools around Australia.

## COMMERCIAL

Funky Monkey Bars® provides playground solutions for community, public and commercial spaces to entertain the kids. Our playgrounds are a popular, affordable option for businesses with a kids' play space. They are found in caravan parks, hospitality venues, therapy centres, gyms, parks and open spaces.

## COMPLIANT WITH AUSTRALIAN STANDARDS

All our school and commercial playgrounds comply with the Australian Standard for Playground Equipment AS 46850.

It is recommended that all school and commercial Funky Monkey Bars® playgrounds are anchor screwed to cement strip footings 400mm below the soft fall surface to be installed by the client.

## SELF-INSTALLED

School and commercial models of Funky Monkey Bars® are designed to be self-installed and an installation service is available in Western Australia.

Each commercial frame includes; Site Plan, Assembly Instructions, a User Guide and recommended Maintenance Plans.

The Site Plans include details on the recommended strip footings and further information on the ground works required.

Strategic partnerships with Australian and international couriers deliver efficient and cost-effective freight solutions to all Funky Monkey Bars® customers.

## INSTALLATION

All Funky Monkey Bars® come with illustrated instructions and all the tools needed to self-install your new frame in your backyard. Instructions are also available on your own device. Download and search the BILT App for step-by-step, 3D interactive instructions.

If you need help to install your Funky Monkey Bars®, please call us 1300 912 198.

# 55 OUR STORY

An Australian owned, family-run company founded in 2009.

Founder and Perth Dad, Shane Roberts, created the first Funky Monkey Bar for his monkey-mad 5-year-old daughter, who'd spend all day, everyday challenging herself to get better.

She loved her Funky Monkey Bar and other kids and their parents loved it too.

Our Funky Monkey Bar was free-standing, without the need for cement, yet it was tough and strong enough for all the neighbourhood kids to come over and play.

And there began our journey of creating outdoor play equipment. New models were introduced and the concept grew in popularity. Funky Monkey Bars® were getting kids outdoors and away from the lure of the screen.

Colin Burdle joined Funky Monkey Bars® in 2014 and his knowledge of structural engineering expanded the design of Funky Monkey Bars® to be height adjustable and modular, so that customers could add more play and fitness equipment to their existing frame.

We created an online store and now attract customers worldwide with our unique, flat-packed design.

Funky Monkey Bars® are proudly Australian made, we manufacture in Perth using Australian galvanised steel.

What's important to us is continual improvement of our innovative designs and that all our configurations are built to commercial playground quality and safety standards.

We are always introducing new play, sport, ninja and fitness equipment to keep Funky Monkey Bars® relevant to the age, interests and confidence of your family.

Funky Monkey Bars® is all about bringing back the fun and resilience that comes from active outdoor play that we remember as kids, and our kids help to keep it real as the ultimate product reviewers.
