Compatible with Lifejacket ISSM1500

Re-Arm:  
Order **IB2433**  
CO<sub>2</sub> Re-Arm Kit

Clip Only:  
Order **IRUMS1622**

## UML MICRO MANUAL

Compatible with Lifejackets ISSM1500, BCHM1700, BCHM1880

Re-Arm:  
Order **IB2433**  
CO<sub>2</sub> Re-Arm Kit

Clip Only:  
Order **IRUMS6002**

## UML MK5 YELLOW AUTO

Compatible with Lifejackets ISSA1501, BCHA1750, BCHA1890

Re-Arm:  
Order **IB2433**  
CO<sub>2</sub> Re-Arm Kit  
Order **IB2520**  
Auto Cartridge

Clip Only:  
Order **IRUMS4014**

## UML BLANKING CAP - IRUM03010B

The UML Blanking Cap fits all UML automatic inflator heads when the cartridge is removed - allowing your automatic lifejacket to operate as a manual model only.

## UML SEALING CAP - IRUM03008A

The UML Sealing Cap disengages the automatic inflation of UML cartridge - meaning you can use your Automatic Burke PFD as a manual model while the cap is in place.

## SEAFASH LIFEJACKET SAFETY LIGHT - IRLJ02A2

Suitable for all Burke PFDs, the UML SeaFlash Lifejacket Safety Light Kit includes clip.

## PROTECTIVE PFD COVER - IB2540

Protect your inflatable PFD against abrasion, oil and other industrial stains and the high visibility ensures you are seen in higher risk environments.
