

A photograph of three children playing on a green lawn. On the left, a boy in a striped shirt and grey overalls is bent over, using a wooden mallet to hit a red ball. In the center, a girl wearing a grey bucket hat, white sunglasses, and a grey sweatshirt with a unicorn graphic is holding two green balls. On the right, a girl in a purple floral dress is holding a wooden stick. In the background, there is a white balustrade and a swimming pool under a blue sky with light clouds.

Superhero.

Superhero

Superhero 2023 is a collection that embodies the magic that every kid can be a superhero in their own way!

Inspired by the heroic moments of childhood, this season is dedicated to all children, each with the power to make a positive impact on the world.

With a sun-drenched colour palette and dreamy textures and fabrics, the range is primarily made from a variety of considered fabrications including recycled polyester and organic cotton.

Join some old favourites - Huxbear and Percy the Penguin, along with new friends - Superhero Dino, Rainbow Bear and Footy Koala, who all come together to celebrate the magic of Hux!

Going up to age 8, Superhero will arrive in stores July 2023.
