SEP

CONNECT AND EMBRACE

A Photo Exhibition by Alaa Atwah featuring the SEP Artists | AMMAN

We are excited to announce that Alaa Atwah has been invited by SEP to exhibit her captivating photographs in Swefieh Village, SEP Boutique on World Refugee Day.

Alaa Atwah is a photographer specialising on Portrait shots. She was born in Gaza camp and knows personally many of the SEP Artists: she is therefore the best person to share with the world the images of the artists in their homes and at work. We are delighted to present a series of Alaa's work, offering a glimpse into the lives and artistic expressions of these resilient individuals.

You now have access to portraits of rare beauty and depth. All proceeds from the limited edition photographs sale will go to Alaa Atwah. SEP is proud to kick off her first exhibition on World Refugee Day: a day when we wanted to celebrate the talent of thousands of human beings who happen to be refugees and we chose to do it through the lens of Alaa Atwah.
