

**THE COMPACT
SOLUTION FOR
INDUSTRIAL LABELING**

Professionals prefer LABELWORKS PX and the LW-PX300 — A low-cost, compact wire-marking, bar-code and general-identification label printer for creating custom and compliant labels up to 3/4" (18 mm) wide. Identify wires and equipment, organize tool cribs and storage bins, tag assets and more. This portable, easy-to-use label maker offers extraordinary flexibility and durability at an affordable price. With the LW-PX300, you can print on a variety of materials such as magnetic tape, heat shrink tube and super strong adhesive tape. Best of all, the LW-PX300 is backed by the LABELWORKS PX lifetime warranty.

**LIFETIME
WARRANTY**

MADE FOR INDUSTRY

SMALLER

The compact, rugged design of the LW-PX300 makes it the perfect 'grab-and-go' labeling solution for wire marking or general identification.

LIGHTER

The LW-PX300 has been stripped down to the bare essentials to be more affordable without sacrificing functionality or quality and backed by our lifetime warranty.

EASIER & BETTER

Create multiple labels similar to the "Pick-and-Print" function found in other PX printers. Quickly serialize and print labels and wire markers with ease.

LABELWORKS PX LW-PX300

Designed for the demands of industrial labeling in a variety of environments, the LW-PX300 is able to satisfy a wide array of applications through a diverse range of supplies and is supported with an unmatched lifetime warranty.

SMALLER

The large QWERTY keyboard makes data entry as intuitive as texting. Plus, the small footprint takes up very little space in your tool bag or at your workstation.

LIGHTER

The serialization key allows for easy wire and cable identification, especially when utilizing the economical and durable heat-shrink tube supplies.

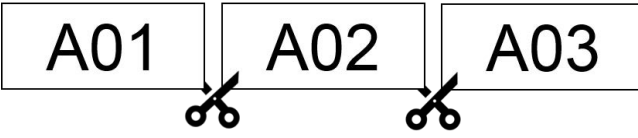

EASIER

When printing multiple copies of a label, the LW-PX300 will print the first label, wait for you to cut and then automatically print the next label in the series for a much more efficient labeling process.

Multiple Labels

- 1) Prints a label
- 2) Holds the label
- 3) Cut, then prints the next label automatically

An easy-to-read backlit screen is great for low-light environments.

BETTER

The removable rubber sleeve protects the LW-PX300 against accidental drops and falls, and is also protected by the industry leading Epson LABELWORKS PX lifetime warranty.

VARIETY OF SUPPLIES

LABELWORKS PX supplies offer a diverse range of industrial materials, colors and sizes to meet practically any need including exclusive magnetic tape and super strong industrial adhesive. With PX tape, you get a durable, low-cost solution for your ID needs.
