

**THE SIMPLER, SMALLER
MORE AFFORDABLE
LABEL PRINTER**

Professionals prefer LABELWORKS PX and the LW-PX350 – A low-cost, portable wire marking, barcode and general identification label printer up to 3/4" (18 mm) wide. Identify wires and equipment, organize tool cribs, identify storage bins, make safety labels, tag assets and more. With special-function hot keys and automatic cutter, this easy-to-use label maker offers extraordinary flexibility and power at an affordable price. With the LW-PX350, you can print on variety of materials such as; magnetic tape, heat shrink tube, and super strong adhesive tapes. Best of all, the LW-PX350 is backed by the LABELWORKS PX lifetime warranty.

**LIFETIME
WARRANTY**

MADE FOR INDUSTRY

Temperature resistance

Water resistance

Chemical resistance

Humidity resistance

Scratch resistance

SIMPLER

QWERTY keyboard and application hot keys make label creation fast and intuitive and the built-in handle makes it easy to grab-and-go.

SMALLER

Designed to be compact, yet powerful, the LW-PX350 is a rugged portable printer capable of printing labels for a variety of applications.

EASIER & BETTER

Automatic cutter, serialization, plus less wasted tape per print lowers operating costs, and the built-in handle makes it easy to grab-and-go.

LABELWORKS PX LW-PX350

Designed for the demands of industrial labeling in a variety of environments, the LW-PX350 is able to satisfy a wide array of applications through a diverse range of supplies and is supported with an unmatched lifetime warranty.

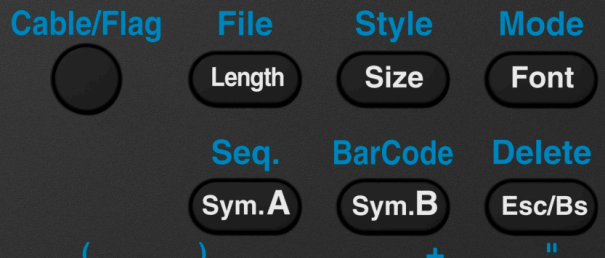

SIMPLER

The large QWERTY keyboard makes data entry as intuitive as typing on a computer. Plus, the built-in handle makes the LW-PX350 easier to carry in the field.

Pre-formatted hot keys for barcodes, serialization, font size and label length.

Hot Keys

8 bar codes, wire/cable marking, style and font formatting, symbols and alpha-numeric serialization

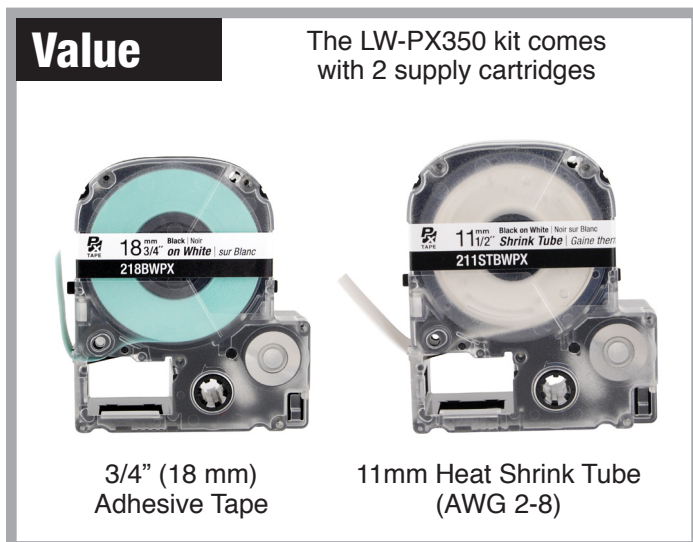

EASIER

The serialization key allows for easy wire and cable identification, especially when utilizing the economical and durable heat-shrink tube supplies.

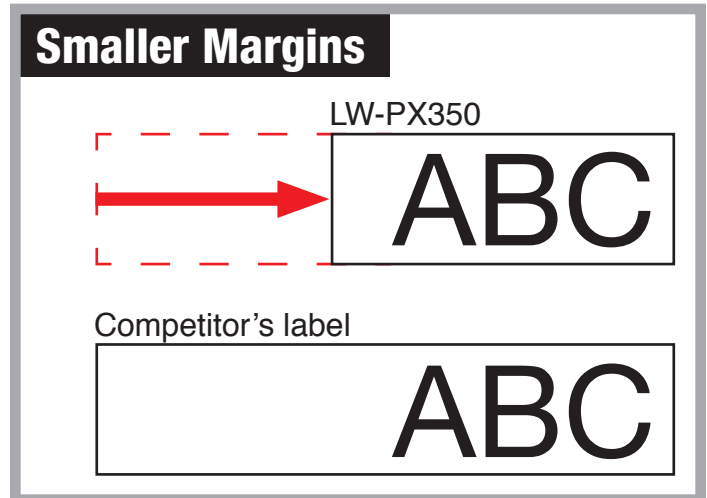

SMALLER

The LW-PX350 was designed for simplicity with only the essential features and functions needed by cost-conscious industrial professionals for labeling in the field or around the workplace.

BETTER

The automatic cutter allows users to create labels with less tape waste compared with competitor's label printers, plus the printer meets MIL-STD-810 drop test standards.

VARIETY OF SUPPLIES

LABELWORKS PX supplies offer a diverse range of industrial materials, colors and sizes to meet practically any need including exclusive magnetic tape and super strong industrial adhesive. With PX tape, you get a durable, low-cost solution for your ID needs.
