EPSON

EXCEED YOUR VISION

**A SMARTER, SMALLER
SOLUTION FOR PORTABLE
LABEL PRINTING**

Professionals prefer LABELWORKS PX and the LW-PX400 –a portable, wireless industrial labeling and wire-marking printer with a lifetime warranty. Whether you are a Datacom installer or an electrician, or need a compact industrial labeling solution, the LW-PX400 is a convenient way to label. The smallest, lightest and most flexible 24 mm printer on the market, the LW-PX400 can work wirelessly in the field via Bluetooth using either an iOS or Android mobile device, or from a PC and Label Editor Professional software. Create professional visual identification with durable adhesive supplies and mark wires/cables with self-laminating wraps and heat shrink tubing.

**LIFETIME
WARRANTY**

SMARTER

Connects to either Android or iOS mobile devices via Bluetooth, or to a PC through a USB cable to print low-cost labels and wire markers.

SMALLER & EASIER

A compact design and easy-to-use apps and software make this printer the ideal solution for label printing in the field or at your workstation.

BETTER

An industrial rubber cover protects the LW-PX400 from hard daily use, and the unmatched warranty protects your printer for life.

ENGINEERED FOR BUSINESS

LABEL PRINTER

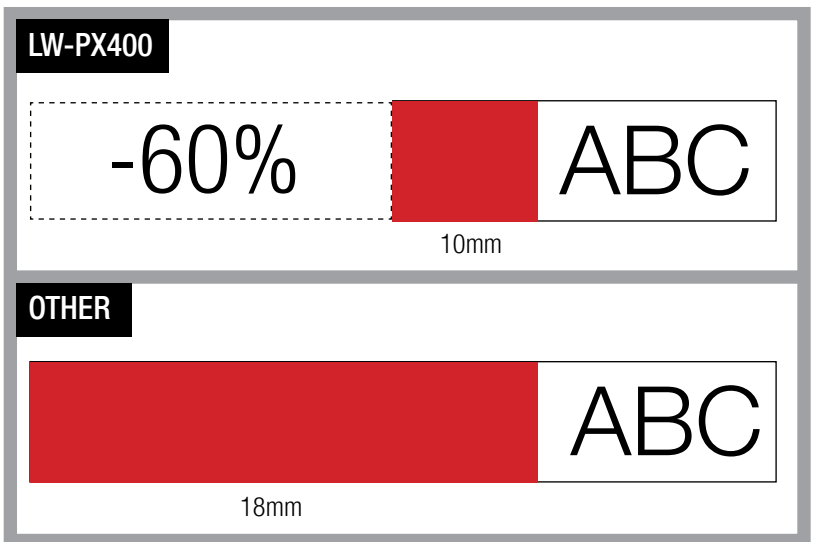

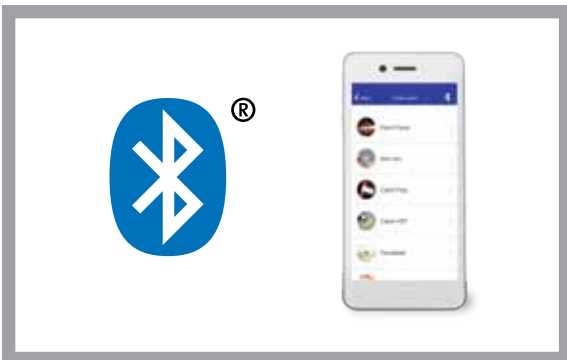

LABELWORKS PX LW-PX400

Designed for the demands of industrial labeling in a variety of environments, the LW-PX400 is able to satisfy a wide array of applications through a diverse range of supplies, and supported with an unmatched lifetime warranty.

SMARTER

Connect via Bluetooth to any Android or iOS mobile device or to your PC through a USB connection. A small lead margin reduces print waste and cost up to 60% vs. other label printers.

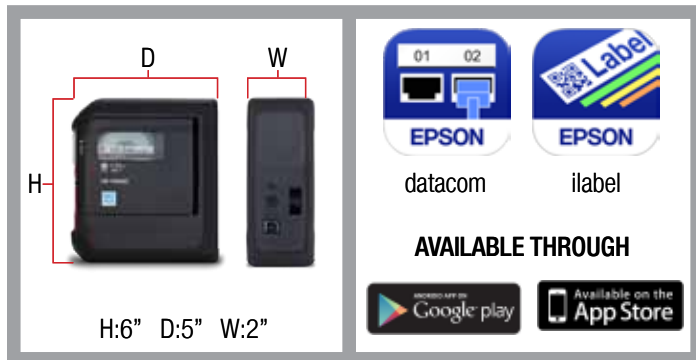

LABEL PRINTER

LABELWORKS PX LW-PX400

SMALLER & EASIER

The LW-PX400 footprint is slim, compact, and easily carried into the field. For industrial applications, the iLabelapp is filled with industry symbols and templates for clear visual communication. For IT professionals, the Datacom app streamlines wire and panel marking with quick features tailored for TIA-606 standards or custom formats.

Ultimate Versatility with Epson Label Editor Professional Software

This powerful and versatile software comes free with the LW-PX400. Print wirelessly or via USB using this intuitive label-creating software that has hundreds of templates, images, bar codes and features to help you create outstanding visual communication.

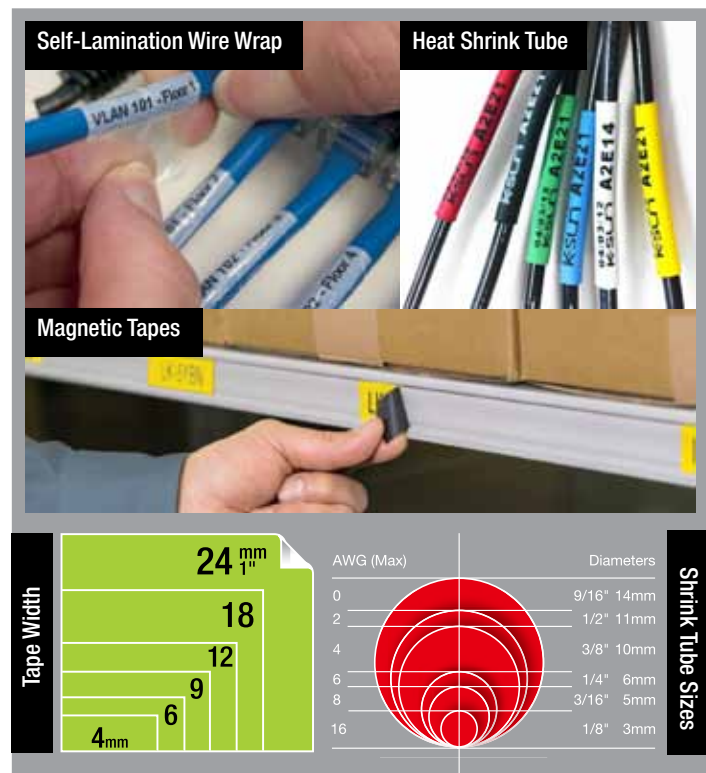

BETTER

The rubber sleeve protects against accidental drops and has passed strict Mil-Spec drop testing (MIL-STD-810F), and Epson has added another layer of protection unmatched by any competitor by backing the LW-PX400 with a LIFETIME WARRANTY.

VARIETY OF SUPPLIES

LABELWORKS PX supplies offer a diverse range of industrial materials, colors and sizes to meet practically any need. Exclusive magnetic tape and industrial adhesives for general identification or inventory management, as well as heat shrink tube and self-lamination wire wrap for cable and wire identification. With PX tape, you get a durable, low-cost solution for your ID needs.
