- ◆ Inspect all contents prior to installation. Report any missing parts to dealer immediately.
- ◆ Read all instructions before proceeding.
- ◆ Never substitute locally sourced components for missing, lost or damaged factory components.

1. Attach the *Socket Assembly (C)* to the top side of the *Base Assembly (A)* using the *5/8" x 1" Hex Bolt (E)*.
2. Insert the end of the *Upright Post (B)* into the *Socket Assembly (C)* with the welded spring clip at the top. Tighten the *3/8" Thumb Screw (D)*.
3. Attach net, if applicable, to the top spring clip (order separately).

⚠Warning!

This product is not designed to support heavy nets or other components and has insufficient ballast to avoid tip-over caused by player contact. Adding ballast bags or other auxiliary hold downs will reduce, but not eliminate, tip-over and injury risk.
