BRAND MILANO

ABOUT US

Dogissimi is an Italian brand of leather goods for dogs, born with the aim to offer the best value for money.

The brand is produced by Brand in Italy Srl, a company from Milan, active in the production of leather goods, having twenty years of experience in the production of handcrafted leather goods for men and women (wallets, bags, belts, accessories) on behalf of third parties, often well-known international fashion brands.

The company has specialized for years in the production of leather goods for dogs with its own brands and for other brands.

Collars, leashes, harnesses, accessories, designed with respect for the comfort of the dog and the functionality for their owners.
