

A PLACE IN THE GARDEN

SPEC SHEETS - BELGIAN CIRCLE PLANTERS

The simple yet elegant design, inspired by Flemish architecture, is on all four sides. The stunning Belgian Circle planters make a real focal point in any garden, courtyard or entrance way. These planters will develop a beautiful aged patina over time, giving them an antique classic look. The planters will arrive in a weathered zinc finish, but over time they will lighten due to the natural oxidation process. These planters also come with a drainage hole, complete with a rubber bung, which gives you the option to use the planter both inside or out in the garden.
