

A PLACE IN THE GARDEN

SPEC SHEETS - CLASSIC PLANTERS

The Classic Planters have the same tapered form as the Lion Head Planters but have been left unadorned for a more contemporary feel. For a formal look, these can be planted with Buxus Topiary Balls. The Hydrangeas and Lavender as seen to the right give a more informal feel. These planters will develop a beautiful aged patina over time, giving them an antique classic look. They will arrive in a weathered zinc finish, but over time they will lighten due to the natural oxidation process. These Zinc planters also come with a drainage hole, complete with a rubber bung, which gives you the option to use the planter both inside or out in the garden.
