

A PLACE IN THE GARDEN

SPEC SHEETS - VERONA PLANTERS

The Verona is a square, contemporary planter with a splayed bottom and simple lip at the top. The Verona planter makes a wonderful addition to any garden and can be used for many different purposes, such as defining an entrance, lining a walkway or accenting a courtyard. This planter will develop a beautiful aged patina over time, giving them an antique classic look. The planters will arrive in a weathered zinc finish, but over time they will lighten due to the natural oxidisation process. These planters also come with a drainage hole, complete with a rubber bung, which gives you the option to use the planter both inside or out in the garden.
