

# A PLACE IN THE GARDEN

## SPEC SHEETS - SIENNA ROUND PLANTERS

The latest design in our planter range, the Round Sienna is based on a 17th century design. This traditional style planter has strong lines and is our most intricate design yet. The planters will arrive in a weathered finish and over time they will lighten due to the natural oxidisation process to develop an aged patina.

Small - 60cm Dia. x 50cm H // Internal Measurements: 50cm Dia. x 48cm H // Weight: 40kg
